STRATEGIC LEADERSHIP

Social Media 2012

- Incorporated Facebook and Twitter in 2008, and a virtual recruitment career fair and student blog into program Strategies in 2012.

Academic Administrative Fellowship 2011

- Developed a twelve-month postdoctoral opportunity focused in management, program development, teaching, research and practice.

Leadership Academy 2011

- Designed, developed and implemented a three pronged approach to leadership development:

    1. **Educators Academy-** A resource for educators, administrators and program directors to support them in guiding and leading students in their professional development and understanding what it takes to pursue a career in the pharmaceutical sciences.

2. **Mentoring Academy-** Fosters an individualized and highly structured support system between Doctor of Pharmacy Student Leaders and Prospective Students. 2011

3. **Professional Development Academy** – An intense leadership and professional development program involving seminars, academic enrichment, specialized projects, and networking opportunities. 2011

School Website 2011

- Designed and developed contemporary state- of -the -art web pages on school website for prospective students.

UNC Asheville Recruitment Task Force 2011

- Developed a task force consisting of program directors, individuals from academic advising and undergraduate admissions, and pharmacy practitioners to assess and evaluate recruitment and retention strategies.

Pharmacy Leadership Excellence and Development (LEAD) Programs 2009

- Established one of the first pharmacy exploratory and preparation programs for high school students, college students, and graduates wanting to learn more about pursuing a career in pharmacy.

Alumni Summits 2009

- Facilitated programs to engage alumni in discussions and planning in regard to recruitment and retention.

Carolina Pre-Pharmacy Club 2009

- Implemented a Pre-Pharmacy club at the University of North Carolina at Chapel Hill. The club provides opportunities to interface with practitioners from various practice settings, optimize preparation for admission, and engage with peer mentors.

Elizabeth City State University (ECSU) Discussion Forums 2008

- Created a platform to facilitate continuous program review and communication between students and program directors.

Recruitment Ambassadors Program 2008

- Developed a structured and comprehensive program to maximize outreach potential. This program has more than one hundred members, consisting of students, faculty, and alumni.

Cross Cultural Communication 2008

- Developed and administered curricular modules to first through third year doctor of pharmacy students to increase skilled communication.

ECSU Satellite Campus Recruitment Task Force 2008

- Developed a task force consisting of practitioners, administrators, undergraduate admissions and marketing staff to coordinate and evaluate recruitment strategies.

Graduate Program Pharmacy Showcase 2008

- Created a program showcase that highlighted various aspects of the Graduate Program. This program was held twice a year.

VTC Mini Modules 2007

- Developed an online resource to facilitate on demand access to video teleconferencing training.

Admissions Process 2007

- Implemented interviewer training and developed a tool to prioritize and rate admissions applications and interviews.

Pharmacy College Admission Test (PCAT) Review 2005

- Led efforts to develop a two day comprehensive review with the Student National Pharmaceutical Association to aid in the preparation of prospective pharmacy students for admission to pharmacy school.

Healthy Lifestyles Weight Management Program 2000

- Developed a weight management program for Kerr Drug, Inc.
