A comprehensive program which includes:

- **Self-Study Learning component addresses:**
 - The role of the pharmacist as a self-care counseling service
 - Practical strategies for developing a self-care counseling service
 - Issues related to self-care for pain; cough, cold, fever, and allergy; gastrointestinal disorders; herbals and dietary supplements; and skin and mucous membrane disorders
 - Home diagnostic products available in pharmacies
- **A one-day Training Seminar that provides:**
 - Patient assessment and counseling techniques
 - Self-care product demonstration and review

OTC Advisor® was developed by APhA and supported by an unrestricted education grant from Proctor & Gamble.

The American Pharmacists Association is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education, and complies with the Criteria for Quality for continuing pharmaceutical education programming. Successful completion of all self-study learning modules will result in 18 hours of continuing education credit (1.8 CEU). An additional 8 hours of continuing education credit (0.8 CEU) – Universal ACPE #202-000-07-100-L04-P will be granted for completing the live training seminar. CPN 202-0013

A *Certificate of Achievement* will be awarded to participants who successfully complete all program components.
