

Jin-Ki Kim, Ph.D.

Postdoctoral Fellow

Mailing Address

Division of Molecular Pharmaceutics,
Eshelman School of Pharmacy,
Center for Nanotechnology in Drug Delivery,
The University of North Carolina at Chapel Hill,
1048 Genetic Medicine Building, CB# 7362, Chapel Hill, NC 27599

Contact Information

E-mail: jkkim@unc.edu

Office: 919-966-7778

Education

1998 B.S. Pharmacy, Seoul National University, Republic of Korea
2000 M.S. Physical Pharmacy, Seoul National University, Republic of Korea
2005 Ph.D. Physical Pharmacy, Seoul National University, Republic of Korea

Professional Experience

Mar. 2005 - Aug. 2007 Postdoctoral Fellow
Research Institute of Pharmaceutical Sciences,
College of Pharmacy, Seoul National University, Republic of Korea
Mar. 2007 - Jun. 2007 Lecturer
College of Pharmacy, Dongduk Women's University, Republic of Korea
Subject: Advanced Disperse System
Aug. 2007 - Mar. 2010 Postdoctoral Fellow
Department of Pharmaceutics, School of Pharmacy,
The University of Mississippi, USA

Research Interest

- Lipid-based nanoparticulate carriers: liposomes, microemulsions, lipid nanoparticles)
- Receptor-oriented targeting technology
- Synthesis and application of novel polymers for drug/gene delivery
- Preformulation and formulation of pharmaceuticals
