

CURRICULUM VITAE

PERSONAL INFORMATION

Timothy J. Ives, Pharm.D., M.P.H.

Eshelman School of Pharmacy, Campus Box 7574
University of North Carolina at Chapel Hill
Chapel Hill, NC 27599-7574

Department of Medicine, Campus Box 7110
School of Medicine
University of North Carolina at Chapel Hill
Chapel Hill, NC 27599-7110

Phone: 984.974.4404 (Clinic)
919.843.2279 (School of Pharmacy)

Fax: 919.843.0775 (Clinic)
919.962.0644 (School of Pharmacy)

e-mail: Timothy_Ives@med.unc.edu

EDUCATION

M.P.H. Department of Health Policy and Administration
School of Public Health
University of North Carolina at Chapel Hill
May 1990

Fellowship Department of Family Medicine
School of Medicine
University of North Carolina at Chapel Hill
1986-1987

Pharm.D. Doctor of Pharmacy
University of Florida
August 1979

B.S. Pharmacy
University of Florida
March 1977

B.S. Chemistry
University of Florida
March 1974

PROFESSIONAL EXPERIENCE

Professor, Eshelman School of Pharmacy, and
Professor, Division of General Medicine and Clinical Epidemiology, Department of Medicine, School of
Medicine, University of North Carolina at Chapel Hill
July 2012 - present

Professor, Eshelman School of Pharmacy, and
Adjunct Associate Professor, Division of General Medicine and Clinical Epidemiology, Department of
Medicine, School of Medicine, University of North Carolina at Chapel Hill
March 2010 – June 2012

Associate Professor, Eshelman School of Pharmacy, and
Adjunct Associate Professor, Division of General Medicine and Clinical Epidemiology, Department of
Medicine, School of Medicine, University of North Carolina at Chapel Hill
May 2004 – March 2010

Associate Professor, School of Pharmacy, and
Clinical Associate Professor, Department of Family Medicine, School of Medicine, University of North
Carolina at Chapel Hill
May 1991 – May 2004

Assistant Professor, School of Pharmacy, and
Clinical Assistant Professor, Department of Family Medicine, School of Medicine, University of North
Carolina at Chapel Hill
March 1987 – May 1991

Clinical Assistant Professor, School of Pharmacy, and
Clinical Assistant Professor, Department of Family Medicine, School of Medicine, University of North
Carolina at Chapel Hill
January 1982 - March 1987

Clinical Assistant Professor, School of Pharmacy
University of North Carolina at Chapel Hill
May 1981 – March 1987

Assistant Professor of Pharmacy
Department of Pharmacy Practice and Administration, College of Pharmacy
Medical University of South Carolina
May 1980 – May 1981

Clinical Instructor
Department of Pharmacy Practice, College of Pharmacy
University of Utah
September 1979 – May 1980

Graduate Teaching Assistant
Department of Pharmacy Practice, College of Pharmacy
University of Florida
September 1977 – August 1979

Certification/Licensure

Licensure in Pharmacy: Florida (# 15998, 1977), Alabama (# 9402, 1979), and North Carolina (# 7704, 1981 - present).

Member, Clinical Housestaff, University of North Carolina Hospitals (1987 - present).

Certified Diabetes Educator, by examination of the National Certification Board of Diabetes Educators (1987); Re-certified, by examination (1992, 1998).

Board Certified in Pharmacotherapy, by examination of the Board of Pharmaceutical Specialties (1991). Re-certified, (1998, 2007).

Clinical Pharmacist Practitioner (CPP; # 700063), State of North Carolina, 2002 - present

Practitioner licensure, US Drug Enforcement Administration, April 2004.

Certificate, Medication Therapy Management, APhA/ASCP, Charlotte, NC, 2007.

HONORS

Florida Blue Key Honorary Leadership Society, 1976
Omicron Delta Kappa National Honorary Society, 1976

Rho Chi Pharmaceutical Honorary Society, 1983
Golden Apple Award (Teacher of the Year), Department of Family Medicine, UNC-CH, 1983
Phi Lambda Sigma Pharmacy Leadership Society, 1985
David S. Citron Award (Statewide Award for Scholarship and Teaching), Department of Family Medicine, UNC-CH, 1988

North Carolina Society of Hospital Pharmacists Continuing Excellence Award: 1989, 1991-94
Fellow, American Society of Hospital Pharmacists, 1993
Fellow, American College of Clinical Pharmacy, 1995

United States Public Health Service Primary Care Policy Fellowship, 2000
Co-Preceptor of the Year, UNC School of Pharmacy/UNCH Department of Pharmacy, 2004
Distinguished Practitioner in Pharmacy, National Academies of Practice, 2008
NCAP Innovative Pharmacy Practice Award, 2009

BIBLIOGRAPHY

Books and Book Chapters

1. Chapter: Ives TJ and Anastasio GD. Considerations in Ambulatory Drug Therapy. In: **Family Medicine: A Study Guide for Medical Students in the Clinical Years**. 1988, Williams and Wilkins.
2. Chapter: Newton WP and Ives TJ. Office Management of Hypertension. In: **Family Medicine: A Study Guide for Medical Students in the Clinical Years**. 1988, Williams and Wilkins.
3. Chapter: Ives TJ. Medications for Sports Injuries. In: **Sports Medicine: For Coaches and Trainers**. 1988, University of North Carolina Press.
4. Chapter: Ives TJ. Medications for Sports Injuries. In: **Sports Medicine: For Coaches and Trainers, Second Edition**. 1991, University of North Carolina Press.
5. Chapter: Ives TJ. Prescription Drug Abuse and the Chemically Dependent Patient. In: **Addictive Disorders: A Practical Guide to Treatment**. 1992, Mosby Year Book Medical Publishers, Inc.
6. Chapter: Ives TJ. Pharmacotherapeutics. In: **Primary Care Geriatrics: A Case-Based Learning Program**, Second Edition. 1992, Mosby Year Book Medical Publishers, Inc.
7. Chapter: Ives TJ and Anastasio GD. Ambulatory Pharmacotherapy. In: **Essentials of Family Medicine, Second Edition**. 1993, Williams and Wilkins.
8. Chapter: Newton WP and Ives TJ. Hypertension. In: **Essentials of Family Medicine, Second Edition**. 1993, Williams and Wilkins.
9. Chapter: Weir SG, Ives TJ and Dunn PF. Diabetes Mellitus. In: **Essentials of Family Medicine, Second Edition**. 1993, Williams and Wilkins.
10. Chapter: Ives TJ. Nonsteroidal Antiinflammatory Agents. In: **Sports Medicine for Primary Care**. 1995, Blackwell Scientific Publications, London.
11. Chapter: Ives TJ. Pharmacotherapeutics. In: **Primary Care Geriatrics: A Case-Based Learning Program**, Third Edition. 1996, Mosby Year Book Medical Publishers, Inc.
12. Chapter: Ives TJ, Canaday BR and Yarborough PC. Documentation of Pharmacist Interventions. In: **Pharmacotherapy: A Patient-Focused Approach**. 1996, Appleton & Lange.
13. Chapter: Ives TJ. Dermatologic Pharmacotherapy. In: **Practical Dermatology, Second Edition**. 1997, Mosby Year Book Medical Publishers, Inc.
14. Chapter: Newton WP and Ives TJ. Hypertension. In: **Essentials of Family Medicine, Third Edition**. 1998, Williams and Wilkins.
15. Chapter: Weir SG and Ives TJ. Diabetes Mellitus. In: **Essentials of Family Medicine, Third Edition**. 1998, Williams and Wilkins.

16. Chapter: Sloane PD, Curtis P, Ebell M, Fisher M, Ives TJ and Slatt L. Common Problems: Overview and General Approach. In: **Essentials of Family Medicine, Third Edition**. 1998, Williams and Wilkins.
17. Chapter: Ives TJ, Canaday BR and Yarborough PC. Documentation of Pharmacist Interventions. In: **Pharmacotherapy: A Patient-Focused Approach, Second Edition**. 1998, Appleton & Lange.
18. Chapter: Ives TJ. Primary Prevention. In: **Pharmacotherapy Self-Assessment Program, Third Edition**. 1999, American College of Clinical Pharmacy.
19. Chapter: Ives TJ, Paavola FG, and Der Marderosian AH. Pharmacists and Public Health. In: **Remington's Pharmaceutical Sciences, 20th Edition**. 2001, Williams & Wilkins.
20. Chapter: Ives TJ. Photosensitivity and Burns. In: **Applied Therapeutics, Seventh Edition**. 2001, Lippincott, Williams & Wilkins.
21. Chapter: Ives TJ. Pharmacotherapeutics. In: **Primary Care Geriatrics: A Case-Based Learning Program**, Fourth Edition. 2001, Mosby, Inc.
22. Chapter: Ives TJ, Canaday BR and Yarborough PC. Documentation of Pharmacist Interventions. In: **Pharmacotherapy: A Patient-Focused Approach, Third Edition**. 2002, McGraw-Hill.
23. Chapter: Ives TJ. Photosensitivity and Burns. In: **Handbook of Applied Therapeutics**. 2002, Lippincott, Williams & Wilkins.
24. Chapter: Newton WP and Ives TJ. Hypertension. In: **Essentials of Family Medicine, Third Edition**. 2002, Lippincott, Williams and Wilkins.
25. Chapter: Mintzer M, Sloane PD, and Ives TJ. Pregnancy Prevention and Contraception. In: **Essentials of Family Medicine, Third Edition**. 2002, Lippincott, Williams and Wilkins.
26. Chapter: Ives TJ. Photosensitivity and Burns. In: **Applied Therapeutics, Eighth Edition**. 2004, Lippincott, Williams & Wilkins.
27. Chapter: Ives TJ and Der Marderosian AH. Pharmacists and Public Health. In: **Remington's Pharmaceutical Sciences, 21st Edition**. 2005, Lippincott, Williams & Wilkins.
28. Chapter: Canaday BR, Yarborough PC and Ives TJ. Documentation of Pharmacist Interventions. In: **Pharmacotherapy: A Patient-Focused Approach, Sixth Edition**. 2005, McGraw-Hill.
29. Chapter: Hanlon JT, Guay DRP, and Ives TJ. Oral Analgesics: Efficacy, Mechanism of Action, Pharmacokinetics, Adverse Effects, Drug Interactions and Practical Recommendations for Use in Older Adults. In: **Pain in the Elderly**. 2005, IASP Press.
30. Chapter: Canaday BR, Yarborough PC, Malone RM, and Ives TJ. Documentation of Pharmacist Interventions. In: **Pharmacotherapy: A Patient-Focused Approach, Seventh Edition**. 2007, McGraw-Hill.
31. Chapter: Ives TJ. Photosensitivity and Burns. In: **Applied Therapeutics, Ninth Edition**. 2008, Lippincott, Williams & Wilkins.

32. Chapter: Ives TJ, Kiser KL. Psoriasis. In: **Applied Therapeutics, Ninth Edition**. 2008, Lippincott, Williams & Wilkins.
33. Chapter: Gerrald KR, Ives TJ. Ultraviolet Radiation Exposure, Photoaging, and Minor Burns. In: **Applied Therapeutics, Tenth Edition**. 2011, Lippincott, Williams & Wilkins.
34. Chapter: Kiser KL, Ives TJ. Psoriasis. In: **Applied Therapeutics, Tenth Edition**. 2011, Lippincott, Williams & Wilkins.
35. Chapter: Ives TJ and Conry JM. Pharmacists and Public Health. In: **Remington: The Science and Practice of Pharmacy**, 22nd Edition. 2012, Pharmaceutical Press, London.
36. Chapter: Moore KG, Howard ME, Ives TJ. Ultraviolet Radiation Exposure, Photoaging, and Minor Burns. In: **Applied Therapeutics, Eleventh Edition**. 2016, Lippincott, Williams & Wilkins.
37. Chapter: Morgan JA, Lee RC, Ives TJ. Psoriasis. In: **Applied Therapeutics, Eleventh Edition**. 2016, Lippincott, Williams & Wilkins.
38. Chapter: Ives TJ, Armistead LT, Ives TJ. Documentation of Pharmacist Interventions. In: **Pharmacotherapy Casebook: A Patient-Focused Approach, Tenth Edition**. 2019, McGraw-Hill.
39. Chapter: Armistead LT, Ives TJ. Documentation of Patient Encounters and Interventions. In: **Pharmacotherapy Casebook: A Patient-Focused Approach, Eleventh Edition**. 2020, McGraw-Hill.
40. Chapter: Armistead LT, Ives TJ. Documentation of Patient Encounters and Interventions. In: **Pharmacotherapy Casebook: A Patient-Focused Approach, Twelfth Edition**. 2023, McGraw-Hill.

Refereed Journals

1. Ives TJ, Pevonka MP, Andresen BD, and Yost RL. Effect of methyldopa on urine glucose test methods. **Am J Hosp Pharm**. 1980; 37: 683-7.

Platform or Poster Presentations/Abstracts

1. Poster: Ives TJ. Effect of Methyldopa on Urine Glucose Test Methods (P-132). ASHP Midyear Clinical Meeting, Las Vegas, NV, December 3, 1979.
2. Poster: Huff PS, Ives TJ, Almond SN and Griffin NW. Pharmacist-Managed Diabetes Education Service (P-16). ASHP Midyear Clinical Meeting, Los Angeles, CA, December 6, 1982.
3. Poster: Ives TJ and Fleming MF. A Computerized, Duplicate Prescription Monitoring Program: An Educational Strategy in a Family Medicine Residency Program. 131st Annual Meeting, American Pharmaceutical Association, Montreal, Canada, May 8, 1984.

4. Platform Presentation: Ives TJ and Fleming MF. A Computerized, Duplicate Prescription Monitoring Program: An Educational Strategy in a Family Medicine Residency Program (PS-78). 17th Annual Spring Conference, Society of Teachers of Family Medicine, Orlando, FL, May 9, 1984.
5. Platform Presentation: Ives TJ. Acne Therapy (S-25). ASHP Annual Meeting, Boston, MA. Invited speaker for Ambulatory Care Pharmacy Practice SIG Session, Boston, MA, June 6, 1984.
6. Platform Presentation: Preparing pharmacists to provide optimal care for the diabetic patient. American Association of Colleges of Pharmacy 88th Annual Meeting, Charleston, SC, July 14, 1987, p. 53.
7. Platform Presentation: Guidelines for the development of chemical impairment policies for Colleges of Pharmacy. American Association of Colleges of Pharmacy 89th Annual Meeting, Chicago, IL, August 2, 1988, pp. 61-2.
8. Poster: Ives TJ, McDermott JH, Hughes TH and Dennis BH. 92nd Annual Meeting, American Association of Colleges of Pharmacy, Boston, MA. Invited presenter, July 9, 1991. Topic: Development of a specialty residency program in chemical dependency. **Am J Pharm Educ.** 1991; 55: 149S.
9. Poster: Teat DW and Ives TJ. 92nd Annual Meeting, American Association of Colleges of Pharmacy, Boston, MA. Invited presenter, July 9, 1991. Coordinating the care of chemically dependent pharmacy students through a statewide Pharmacist Recovery Network. **Am J Pharm Educ.** 1991; 55: 150S.
10. Poster: Berolzheimer N, Sdao-Jarvie K, Rounds J and Ives T. Does the practice of prescribing alcohol to hospitalized patients contribute to alcohol problems? National Conference of the Association for Medical Education and Research in Substance Abuse (AMERSA), Bethesda, MD, November 13, 1992.
11. Platform Presentation: Reimbursement for Cognitive Clinical Pharmacy Services (SPG-31). 27th Annual ASHP Midyear Clinical Meeting, Orlando, FL, December 9, 1992, p. 314.
12. Poster: Ives TJ, Canaday BR, Pittman AW, Williams DM and Ishaq KS. 95th Annual Meeting, American Association of Colleges of Pharmacy, Albuquerque, NM. Invited presenter, July 19, 1994. Topic: Implementation of an integrated, problem-based, student-centered approach to learning in required courses in Medicinal Chemistry/Pharmacotherapeutics.
13. Poster: Ives TJ, Regnery RL, Manzewitsch P, and Kebede M. Tenth International Conference on AIDS, Yokohama, Japan. Invited presenter, August 9, 1994, p. 141. Topic: In vitro evaluation of macrolide antibiotics against species of *Rochalimaea*.
14. Poster: Ives TJ, Regnery RL, Manzewitsch P, and Kebede M. American College of Clinical Pharmacy Winter Practice and Research Forum, Orlando, FL. Invited presenter, February 14, 1995. Topic: In vitro evaluation of macrolide antibiotics against *Rickettsia rickettsii*.
15. Poster: Ives TJ, Regnery RL, Manzewitsch P, and Kebede M. International Congress of Chemotherapy, Montreal, Canada. Invited presenter, July 17, 1995. Topic: In vitro evaluation of macrolide antibiotics against *Rickettsia rickettsii*, *R. conorii*, *Rickettsia akari* and *R. prowazekii* via immunofluorescent antibody testing. **Can J Infect Dis.** 1995; 6 (Suppl C): 336C.

16. Poster: Ives TJ, Regnery RL, Manzewitsch P, and Kebede M. American College of Clinical Pharmacy Annual Meeting, Washington, DC. Invited presenter, August 9, 1995. Topic: In vitro evaluation of macrolide antibiotics against *Bartonella (Rochalimaea)* species via immunofluorescent antibody testing. **Pharmacother.** 1995; 15: 377.
17. Poster: Ives TJ, Regnery RL, Manzewitsch P, Kebede M and Butts JD. Annual Meeting, Society of Infectious Diseases Pharmacists, San Francisco, CA. Invited presenter, September 18, 1995. Topic: In vitro evaluation of macrolide antibiotics against *Bartonella (Rochalimaea) henselae*, *B. quintana* and *B. elizabethae* via immunofluorescent antibody testing.
18. Poster: Ives TJ, Regnery RL, Manzewitsch P, Kebede M and Butts JD. 35th Interscience Conference on Antimicrobial Agents and Chemotherapy, San Francisco, CA. Invited presenter, September 19, 1995. Topic: In vitro evaluation of macrolide antibiotics against *Bartonella (Rochalimaea) henselae*, *B. quintana* and *B. elizabethae* via immunofluorescent antibody testing.
19. Poster: Ives TJ, Regnery RL, Manzewitsch P, Kebede M and Butts JD. Third International Conference on the Macrolides, Azalides, and Streptogramins, Lisbon, Portugal. Invited presenter, January 25, 1996. Topic: In vitro evaluation of macrolide antibiotics against *Bartonella (Rochalimaea) henselae*, *B. quintana* and *B. elizabete* via immunofluorescent antibody testing.
20. Poster: Ives TJ, McDermott JH and Brock TM. 97th Annual Meeting, American Association of Colleges of Pharmacy, Reno, NV. Invited presenter, July 17, 1996. Topic: Physical Assessment: Monitoring the Patient in the Pharmacy Environment.
21. Poster: Deloatch KD, Brock TM, Pittman AW, McDermott JH and Ives TJ. 97th Annual Meeting, American Association of Colleges of Pharmacy, Reno, NV. Invited presenter, July 17, 1996. Topic: Curricular Innovations at the University of North Carolina School of Pharmacy.
22. Poster: Ives TJ, Butts JD, Manzewitsch P and Regnery RL. American College of Clinical Pharmacy Annual Meeting, Nashville, TN. Invited presenter, August 7, 1996. Topic: In vitro evaluation of chloramphenicol against various species of *Bartonella* and *Rickettsia* via immunofluorescent antibody testing. **Pharmacother.** 1996; 16: 503.
23. Poster: Ives TJ, Marston EF, Regnery RL and Butts JD. 37th Interscience Conference on Antimicrobial Agents and Chemotherapy, Toronto, Canada. Invited presenter, September 28, 1997. Topic: In vitro susceptibilities of *Rickettsia akari*, *R. conorii*, *R. prowazekii*, *R. rickettsii*, *Bartonella elizabethae*, *B. henselae* and *B. quintana* to fluoroquinolone agents as determined by immunofluorescent-antibody analysis of infected Vero cell monolayers.
24. Poster: Ives TJ, Marston EF, Regnery RL and Butts JD. 37th Interscience Conference on Antimicrobial Agents and Chemotherapy, Toronto, Canada. Invited presenter, September 30, 1997. Topic: In vitro susceptibilities of *Rickettsia akari*, *R. conorii*, *R. prowazekii*, *R. rickettsii*, *Bartonella elizabethae*, *B. henselae* and *B. quintana* to 14-hydroxy-clarithromycin as determined by immunofluorescent-antibody analysis of infected Vero cell monolayers.
25. Poster: Wolford ET, Butts JD, Hall IH, Alford P and Ives TJ. 37th Interscience Conference on Antimicrobial Agents and Chemotherapy, Toronto, Canada. Invited presenter, October 1, 1997. Topic: In vitro pharmacodynamic and pharmacokinetic aspects of human monocyte (THP-1) uptake, distribution and efflux of ¹⁴C-clarithromycin and ¹⁴C-azithromycin under different environmental conditions.

26. Poster: Ives TJ, Marston EF, Regnery RL and Butts JD. Annual Meeting, American College of Clinical Pharmacy, Phoenix, AZ. Invited presenter, November 11, 1997. Topic: In vitro susceptibilities of *Rickettsia akari*, *R. conorii*, *R. prowazekii*, *R. rickettsii*, *Bartonella elizabethae*, *B. henselae* and *B. quintana* to fluoroquinolone agents as determined by immunofluorescent-antibody analysis of infected Vero cell monolayers. **Pharmacother.** 1997; 17: 1095.
27. Poster: Ives TJ, Marston EL, Regnery RL, Butts JD, Kebede M and Majerus TC. American College of Clinical Pharmacy Annual Meeting, Phoenix, AZ. Invited presenter, November 11, 1997. Topic: In Vitro Susceptibilities of *Rickettsia akari*, *R. conorii*, *R. prowazekii*, *R. rickettsii*, *Bartonella elizabethae*, *B. henselae*, and *B. quintana* to 14-hydroxy-clarithromycin as determined by immunofluorescent antibody analysis of infected Vero cell monolayers. **Pharmacother.** 1997; 17: 1095-6.
28. Poster: Ives TJ, Marston EF, Regnery RL and Butts JD. Fourth International Conference on the Macrolides, Azalides & Streptogramins, Barcelona, Spain. Invited presenter, January 23, 1998. Topic: In Vitro Susceptibilities of *Rickettsia akari*, *R. conorii*, *R. prowazekii*, *R. rickettsii*, *Bartonella elizabethae*, *B. henselae* and *B. quintana* to 14-hydroxy-clarithromycin as determined by immunofluorescent-antibody analysis of infected Vero cell monolayers.
29. Poster: Dietrich MA, Butts JD, Alford P, Ives TJ, and Hall IH. Sixth International Symposium on New Quinolones and Related Antibiotics, Denver, CO. Invited presenter, November 16, 1998. Topic: *In vitro* pharmacodynamic and pharmacokinetic aspects of THP-1 human monocyte uptake, distribution and efflux of ¹⁴C-grepafloxacin under different conditions. **Drugs.** 1999; 58 (Suppl 2): 258-9.
30. Poster: Salzberg SA and Ives TJ. American College of Clinical Pharmacy/European College of Clinical Pharmacy Congress on Clinical Pharmacy, Orlando, FL. Invited presenter, April 13, 1999. Topic: Pharmacists as primary care practitioners in a family medicine clinic: a model for establishing services and obtaining reimbursement. **Pharmacother.** 1999; 19: 529.
31. Poster: Cooper JB, Brock TP and Ives TJ. 35th Annual ASHP Midyear Clinical Meeting, Las Vegas, NV. Invited presenter, December 5, 2000. Topic: Assessment of the spiritual aspect of patient care as addressed in pharmacy school curricula.
32. Poster: Hall IH, Schwab UE, Ward ES, and Ives TJ. 41st Interscience Conference on Antimicrobial Agents and Chemotherapy, Chicago, IL. Invited presenter, December 11, 2001. Disposition of clarithromycin in human THP-1 monocytes during stimulated and unstimulated conditions.
33. Poster: McBane SE, Ives TJ and Weir SS. 37th Annual ASHP Midyear Clinical Meeting, Atlanta, GA. Invited presenter, December 5, 2002. Topic: Development of a pharmacist-based anticoagulation service in a family practice center.
34. Poster: 26th Annual Meeting, Society of General Internal Medicine, Vancouver, British Columbia. Chelminski P, Ives T, Pignone M, Malone R, Prakken S, Bryant B, Tolle J, Dewalt D, Felix K, and Corr K. Invited presenter, May 2, 2003. Topic: Baseline clinician perceptions of pain management in a pilot study of a pharmacist-assisted disease management program for patients with non-malignant chronic pain. **J Gen Intern Med.** 2003; 18 (S1): 130.
35. Poster: 27th Annual Meeting, Society of General Internal Medicine, Chicago, IL. Chelminski PR, Ives TJ, Prakken S, Malone RM, Miller TM, Bryant MB, Dewalt DA, Ripton J, Pignone MP. Topic:

- A primary care disease management program for patients with chronic pain. **J Gen Intern Med.** 2004; 19 (S1): 101-2.
36. Poster: 27th Annual Meeting, Society of General Internal Medicine, Chicago, IL. Ives TJ, Perhac JS, Felix KM, Malone RM, Prakken S, Bryant MB, Hammett-Stabler C, Ripton J, Miller TM, Dewalt DA, Pignone MP, Chelminski PR. Topic: Predictors of substance misuse in patients with chronic pain. **J Gen Intern Med.** 2004; 19 (S1): 195.
 37. Poster: 27th Annual Meeting, Society of General Internal Medicine, Chicago, IL. Perhac JS, Ives TJ, Prakken S, Felix KM, Malone RM, Bryant MB, Ripton J, Dewalt DA, Pignone MP, Chelminski PR. Topic: Literacy and pain, functional status, and depression in primary care patients with chronic pain. **J Gen Intern Med.** 2004; 19 (S1): 175.
 38. Poster: 28th Annual Meeting, Society of General Internal Medicine, New Orleans, LA. Potisek NM, Malone RM, Ives TJ, Chelminski PR, Pignone MP. Topic: Use of time-motion assessment to improve efficiency of patient visits in a primary care-based chronic pain management clinic. **J Gen Intern Med.** 2005; 20 (S1): 51.
 39. Poster: American Pharmacists Association 2006 Annual Meeting, San Francisco, CA. Onyoni E and Ives TJ. Invited presenter, March 18, 2006. Assessing implementation of cultural competency in the curricula of colleges of pharmacy in the United States and Canada. **J Am Pharm Assn.** 2006; 46:231.
 40. Poster: 29th Annual Meeting, Society of General Internal Medicine, Los Angeles, CA. Potisek NM, Ives TJ, Chelminski PR, Dewalt, Malone RM, Bryant-Shilladay ME, Pignone MP. Topic: An introductory visit decreases time to enrollment in a primary care-based chronic pain management program. **J Gen Intern Med.** 2006; 21 (S4): 190.
 41. Poster: Annual Meeting, American Association for Clinical Chemistry, Chicago, IL. Greene K, Winecker RE, Ives TJ, Chelminski PR, Potisek NM, Hammett-Stabler C. Invited presenter, July 25, 2006. Interference of the Roche drugs of abuse assays by tramadol. **Clin Chem.** 2006; 52 (S6): A63-4.
 42. Poster: 38th Annual Southeastern Residency Conference, Athens, GA, April 20, 2007. Guirguis AB, Shilliday BB, Malone RM, Ives TJ. Angiotensin-converting enzyme inhibitor (ACE-I) or angiotensin receptor blocker (ARB) use among women of childbearing potential in a general medicine clinic.
 43. Poster: 30th Annual Meeting, Society of General Internal Medicine, Toronto, Canada. Guirguis AB, Shilliday BB, Malone RM, Ives TJ, Pignone MP. Invited presenter, April 28, 2007. Avoidance of angiotensin-converting enzyme inhibitor (ACE-I) or angiotensin receptor blocker (ARB) use among women of childbearing potential in a general medicine clinic. **J Gen Intern Med.** 2007; 22 (S1): 195.
 44. Poster: 2007 Annual Meeting, American Association of Colleges of Pharmacy, Orlando, FL, Lewis-Smith RE, Rake KM, Chelminski PR, Ives TJ. Invited presenter, July 15, 2007. Affective disorders, opioid misuse, and fibromyalgia in a population of primary care patients.
 45. Poster: 31st Annual Meeting, Society of General Internal Medicine, Pittsburgh, PA. Berkowitz SA, Chelminski PR, Hayes KB, Ives TJ, and Pignone MP. Invited presenter, April 10, 2008. Prevalence of anxiety in patients with chronic non-malignant pain in a general internal medicine practice. **J Gen Intern Med.** 2008; 23 (S1): 377-8.

46. Poster: 43rd Annual ASHP Midyear Clinical Meeting, Orlando, FL, East AP, Ives TJ, and Shilliday BB. Invited presenter, December 8, 2008. Topic: Evidence-based review on the pharmacotherapeutic options for the treatment of chronic pain in the anticoagulated patient.
47. Poster: 32st Annual Meeting, Society of General Internal Medicine, Miami, FL. Chelminski PR, Hayes KB, Ives TJ. Invited presenter, May 14, 2009. Medication contract violations: Six-year outcomes in a primary care chronic pain program.
48. Poster: 2009 Annual Meeting, American Association of Colleges of Pharmacy, Boston, MA. Marciniak MW, Cox WC, Ivey J, Stegall-Zanation J, Ives TJ. Invited presenter, July 19, 2009. Development of a faculty writing club to promote scholarship.
49. Poster: 2009 Annual Meeting, American Association of Colleges of Pharmacy, Boston, MA. Brown KP, Campbell K, Davis T, Deloatch KH, Ferreri S, Gabriel M, Gal P, Kemp DW, Leadon KI, Mayo AJ, Tofade T, Ives TJ. Invited presenter, July 19, 2009. Strategic planning for a new Division of Pharmacy Practice and Experiential Education through statewide faculty collaboration.
50. Poster: 2009 Annual Meeting, American College of Clinical Pharmacy, Anaheim, CA. Linnebur SA, MacLaughlin EJ, Ives TJ, Seaton T. Invited presenter, October 19, 2009. 17 years of promoting ambulatory care: the history of the Ambulatory Care PRN.
51. Poster: 2009 Midyear Clinical Meeting, American Society of Health-System Pharmacists, Las Vegas, NV. Murawski M, Perdiew J, Dole EJ, Ives TJ, Tinker D, Colucci VJ. Invited presenter, December 7, 2009. Certified advanced clinical practitioners in New Mexico and North Carolina: an initial survey of practice characteristics and mechanisms.
52. Poster: Seventh Annual NCAP Student Research Symposium, Greensboro, NC. Morrison SN, Andrew WC, Ives TJ. Invited presenter, March 23, 2010. Rates of adherence for the filling of antidepressant prescriptions in a Medicaid population with chronic pain and depression.
53. Poster: 2010 Spring Practice and Research Forum, American College of Clinical Pharmacy, Charlotte, NC. Leone A, Blalock S, Ives TJ. Invited presenter, April 24, 2010. Pharmacotherapeutic treatment of anxiety disorders: Investigating the correlation between GAD-7, PHQ-9, and brief pain inventory scores.
54. Poster: 2010 Spring Practice and Research Forum, American College of Clinical Pharmacy, Charlotte, NC. Gerrald KR, Whitney A, Shilliday BB, Ives TJ, Malone RM. Invited presenter, April 24, 2010. Implementation and reliability of a depression screening program in an outpatient internal medicine diabetes population.
55. Poster: 34th Annual Meeting, Society of General Internal Medicine, Phoenix, AZ. Bumgarner J, Stewart L, McDonald S, Andrew W, Ives, T, Chelminski P, Pignone M, Lewis C. Invited presenter, May 5, 2011. Viewing of chronic pain decision aids in a multidisciplinary pain program and patient reported outcomes.
56. Poster: 2011 Midyear Clinical Meeting, American Society of Health-System Pharmacists, New Orleans, LA. Faison A, Cavanaugh J, Shilliday BB, Ives, TJ. Invited presenter, December 5, 2011. Simvastatin: identifying patients at risk for myopathy and applying the Food and Drug Administration (FDA) labeling changes to clinical practice.

57. Poster: 2011 Midyear Clinical Meeting, American Society of Health-System Pharmacists, New Orleans, LA. Moretz JD, Cavanaugh JJ, Shilliday BB, Malone RM, Ives TJ. Invited presenter, December 5, 2011. An assessment of the impact of Clinical Pharmacist Practitioners (CPP) in collaborative practices on improvement of Medicare-eligible populations in North Carolina.
58. Poster: 2011 Midyear Clinical Meeting, American Society of Health-System Pharmacists, New Orleans, LA. Warshany K, Cavanaugh JJ, Ives TJ, Shilliday ME. Invited presenter, December 5, 2011. Outcomes and patient acceptance of a Medicare annual wellness visit administered by a Clinical Pharmacist Practitioner in an internal medicine clinic.
59. Poster: 2011 Midyear Clinical Meeting, American Society of Health-System Pharmacists, New Orleans, LA. Stevens J, Shilliday BB, Cavanaugh JJ, Ives TJ. Invited presenter, December 5, 2011. Converting hyperlipidemic patients from simvastatin 80 mg to a safer, evidence-based regimen.
60. Poster: 2012 APhA Annual Meeting, New Orleans, LA. Hale JC, Ives TJ. Invited presenter, March 10, 2012. Opportunities and barriers of Clinical Pharmacist Practitioners in North Carolina.
61. Poster: Eighth Annual University Research Day, University of North Carolina at Chapel Hill. Hale JC, Ives TJ. Invited presenter, March 26, 2012. Successes and challenges of Clinical Pharmacist Practitioners in North Carolina.
62. Poster: 2012 ACCP Virtual Poster Symposium. Hale JC, Ives TJ. Invited presenter, May 22-24, 2012. Successes and challenges of Clinical Pharmacist Practitioners in North Carolina.
63. Poster: 2012 Midyear Clinical Meeting, American Society of Health-System Pharmacists, Las Vegas, NV. Chim, Y-LE, Guyton JE, Ratner S, Ives TJ, Bryant Shilliday B. Design and implementation of medication protocols to substitute potentially inappropriate medications in an elderly population with safer therapies.
64. Poster: 2012 Midyear Clinical Meeting, American Society of Health-System Pharmacists, Las Vegas, NV. Hale JC, Moretz JD, Fearrington LR, Cavanaugh JJ, Shilliday BB, Ives TJ. The clinical impact of clinical pharmacist practitioners in an outpatient university healthcare system in North Carolina.
65. Poster: 2012 Midyear Clinical Meeting, American Society of Health-System Pharmacists, Las Vegas, NV. Guyton EJ, Ives TJ, Cavanaugh JJ, Ratner S, Bryant Shilliday B. Identification of positive hepatitis C screening results in a primary care clinic and implementation of a referral for treatment algorithm.
66. Poster: 2012 Midyear Clinical Meeting, American Society of Health-System Pharmacists, Las Vegas, NV. Wai MC, Guyton JE, Ives TJ, Cavanaugh JJ, Bryant Shilliday B. Evaluation of appropriate medication use in systolic heart failure patients.
67. Poster: 2013 Sixth Annual Research Week, University of the Incarnate Word, San Antonio TX. MacLaughlin EJ, Ardery G, Jackson EA, Ives TJ, Young RB, Fike DS, Carter BL. Invited presenter, March 1, 2013. Navigating the IRB process in a national, interdisciplinary, multicenter trial.
68. Poster: 2013 Annual Meeting, American College of Clinical Pharmacy, Albuquerque, NM. MacLaughlin EJ, Ardery G, Jackson EA, Ives TJ, Young RB, Fike DS, Carter BL. Invited presenter, October 15, 2013. Institutional review board barriers and solutions encountered in the Collaboration Among Pharmacists and Physicians to Improve Outcomes Now study: A national multicenter practice-based implementation trial.

69. Poster: 2013 Midyear Clinical Meeting, American Society of Health-System Pharmacists, Orlando, FL. Misher AM, Bledsoe CG, Dolan-Soto DR, Blalock SJ, Weil A, Ives TJ. Invited presenter, December 9, 2013. Screening for Anxiety and Depression in a Non-malignant Chronic Pain Population.
70. Poster: 2013 Midyear Clinical Meeting, American Society of Health-System Pharmacists, Orlando, FL. Bernstein AT, Fearrington LR, Hale JC, Kislán MM, Ives TJ. Invited presenter, December 9, 2013. Clinical efficacy and cost-effectiveness of Clinical Pharmacist Practitioners in chronic disease management of ambulatory care patients.
71. Poster: 2013 Midyear Clinical Meeting, American Society of Health-System Pharmacists, Orlando, FL. Kislán MM, Fearrington LR, Bernstein AT, Hale JC, Ives TJ. Invited presenter, December 9, 2013. Cost of medications prescribed by Clinical Pharmacist Practitioners versus Primary Care Providers to reach chronic disease state goal for Medicare patients in North Carolina.
72. Poster: 2013 Midyear Clinical Meeting, American Society of Health-System Pharmacists, Orlando, FL. Greene J, Eshet S, Chelminski PR, Ives TJ. Invited presenter, December 9, 2013. Comparison of short-acting as needed analgesia versus long-acting basal analgesia in opioid-treated patients with an emphasis on improving functional and mental health outcomes.
73. Poster: 2014 Midyear Clinical Meeting, American Society of Health-System Pharmacists, Anaheim, CA. Roess B, McKnight L, Ives TJ. Invited presenter, December 8, 2014. Medication adherence in a chronic pain patient population: opiate-based agents, adjuvant analgesics, and non-steroidal anti-inflammatory agents.
74. Poster: 2014 Midyear Clinical Meeting, American Society of Health-System Pharmacists, Anaheim, CA. Kislán MM, Bernstein AT, Fearrington LR, Ives TJ. Invited presenter, December 8, 2014. Advanced Practice Pharmacists: cost-effectiveness of clinical pharmacist practitioners (CPPs) in the management of ambulatory Medicare patients in North Carolina (APPLE-NC).
75. Poster: 2015 Midyear Clinical Meeting, American Society of Health-System Pharmacists, New Orleans, LA. Barquero S, Ghodke A, Chelminski P, Ives TJ. Invited presenter, December 8, 2015. Comparison of short-acting vs long-acting opioid treatment of moderate to severe osteoarthritic patients in a primary care pain management program.
76. Poster: 2015 Midyear Clinical Meeting, American Society of Health-System Pharmacists, New Orleans, LA. Bernstein AT, Kislán MM, Fearrington LR, Ives TJ. Invited presenter, December 8, 2015. Advanced Practice Pharmacists: cost-effectiveness of clinical pharmacist practitioners (CPPs) in the management of ambulatory Medicare patients in North Carolina (APPLE-NC).
77. Poster: 2015 Midyear Clinical Meeting, American Society of Health-System Pharmacists, New Orleans, LA. Wood JR, Howard M, and Ives TJ. Invited presenter, December 8, 2015. Implementation of electronic prescribing of controlled substances within an academic medical center.
78. Poster: 2016 Summer Meeting, American Society of Health-System Pharmacists, Denver, CO. Griffin R, Williams C, Woodall T, Wilson C, Ives T. Invited presenter, June 13, 2016. Physician perceptions of integrating clinical pharmacist practitioners into practice.
79. Poster: 2016 North Carolina Association of Pharmacists Annual Convention, NC. Hendricks A, Kang K, Cavanaugh J, Ives T, Shilliday BB. Provider adherence to guideline recommended

utilization of beta blockers in patients with heart failure and reduced ejection fraction in an academic internal medicine clinic.

80. Poster: 2017 North Carolina Association of Pharmacists Annual Convention, Winston-Salem, NC. Compton ALP, Cavanaugh J, Ives TJ, Shilliday B. Invited presenter, September 23, 2017. Utilization of serum uric acid levels for gout management in an internal medicine clinic.
81. Poster: 2017 North Carolina Association of Pharmacists Annual Convention, Winston-Salem, NC. Viverette V, Shanahan M, Ives TJ. Invited presenter, September 23, 2017. Evaluation of the North Carolina standing order for naloxone in community pharmacies.
82. Poster: 2017 North Carolina Association of Pharmacists Annual Convention, Winston-Salem, NC. Dolan M, Renfro CP, Ferreri SP, Shilliday B, Ives TJ, Cavanaugh J. Invited presenter, September 23, 2017. Community pharmacist preferences in transition of care communications.
83. Poster: 2017 American Public Health Association Annual Meeting, Atlanta, GA. Kang I, Vohra R, Easter J, Ives TJ, Bosworth H. Invited presenter, November 6, 2017. Opinions on chronic pain management and the opioid crisis: a semi-structured interview study of physicians and pharmacists.
84. Poster: 2018 Society of General Internal Medicine Annual Meeting, Denver, CO. Ghodke A, Bennett WC, Patel N, Chelminski P, Ives TJ. Invited presenter, April 13, 2018. Medication contract and substance misuse: digital-era outcomes in a primary care chronic pain program.
85. Poster: 2019 Midyear Clinical Meeting, American Society of Health-System Pharmacists, Las Vegas, NV. Garcia EM, George TS, Ghodke AN, Chelminski PR, and Ives TJ. Invited presenter, December 9, 2019. Five-year prevalence of adverse drug events associated with concurrent opioid and benzodiazepine use by patients followed in an academic internal medicine clinic.
86. Poster: 2020 Society of General Internal Medicine Annual Meeting, Birmingham, AL. George TS, Sato JM, Ghodke AN, Trupiano NE, Chelminski PR, Ives TJ. Morphine-hydromorphone metabolism in chronic pain management.
87. Abstract: AcademyHealth Annual Research Meeting, Washington, DC, June 4-7, 2022. DeFrank JT, Squire C, Wagner L, Wheeler L, Edlund M, McCormack L, and the INSPIRE trial team: Anderson A, Angel F, Archer K, Bowlby L, Bunton A, Chatterjee R, Chelminski P, Crenshaw D, Dewey C, Dolor R, Erickson B, Goyal P, Gulur P, Goldstein A, Ives T, Kane S, Kroop S, Nelli A, Mishra P, Walters J, Wu L-T. Lessons from implementing a shared decision-making intervention with patients who use opioids: a qualitative analysis.
88. Abstract: 13th ACM/SPEC International Conference on Performance Engineering, Copenhagen, Denmark, August 22-24, 2022. Maierhofer CN, Ranapurwala SI, DiPrete BL, Fulcher N, Ringwalt CL, Chelminski PR, Ives TJ, Dasgupta N, Go VF, Pence BW. Intended and unintended consequences: Changes in opioid prescribing practices following two policies in North Carolina, 2012–2018 – A controlled interrupted time series analysis.
89. Poster: 2024 Society of General Internal Medicine Annual Meeting, Boston, MA. Edlund MJ, Thomas SM, Wagner LK, Thompson JE, Wu L-T, Dolor RJ, Chelminski PR, Ives TJ, Archer KR, Dewey CM, Sullivan MD, McCormack LA. Invited presenter, May 16, 2024. How well do behavioral interventions help patients with chronic pain? Results of a comparative effectiveness trial.

Ives TJ and McDermott JH. Chemical dependency residency program offered to pharmacists. **Epikrisis**. 1992; 2: 1.

TEACHING ACTIVITIESSchool of Pharmacy

Coordinator, Honors Program Seminar (PHCY 99H), 1988-1992

Lecturer, PHCY 152, Pharmacotherapeutics I. (1990-2000)

Topics: Dermatology Module, Urinary Tract Infections (Infectious Diseases Module)

Lecturer, PhPr 75, Introduction to Clinical Pharmacy Practice (1984-1992)

Topics: Physical Assessment/Diagnosis, Poisonings/Poison Prevention, and Substance Abuse

Lecturer, PHCY 73/443, Pharmacotherapeutics II (1993-2015); Course Coordinator (2009-13)

Topics: Dermatology Module, Pharmacotherapeutic Work-Up of the Patient, and Diabetes Mellitus (Endocrine Module)

Recitation Leader, PHCY 450, Problems in Pharmacotherapy (2000-2017)

Lecturer, PHCY 74, Drug Literature Analysis and Interpretation (1997-2001)

Topic: Developing an Evidence-Based Pharmacy Practice

Lecturer and Course Coordinator, PhPr 77, Pharmacotherapeutics III (1992 - 1993)

Topic: Pharmacotherapeutic Work-Up of the Patient

Lecturer, Course Coordinator, and Course Developer in PhPr 80, Substance Abuse (1987-1992, 1995-1996) Topics: Opioids, Sedative/Hypnotics, Volatile Substances, Alcoholism, Interventions, & Hallucinogens

Lecturer, PHCY 81, Geriatric Pharmacy Practice (1986-2000)

Topics: Adverse Drug Events/Drug Interactions in an Older Population, Prescribing for the Elderly

Lecturer in PHCY 87/446, Pharmacotherapeutics VI (2002-2016)

Topic: Neuropathic/Myofascial Pain (Neurology/Psychiatry Module)

Lecturer, PhPr 93/PHCY 157, Community Pharmacy Practice (1982-2001); Course Developer and Coordinator, 1982-1987. Topics: Dermatological Products, Diabetes Care Products, Foot Care Products, and Physical Assessment

Lecturer, PhPr/PHCY 109, Acute Care Pharmacy Practice (1984-2000)

Topic: Diabetic Ketoacidosis

Lecturer, PHCY 806/PhPr 110, Ambulatory Care Pharmacy Practice (1981-2011)

Topics: Dermatological Disorders, Reimbursement Issues, and Common Community Emergencies

- Lecturer and Course Coordinator, PHCY 167, Physical Assessment (1993-2003)
Topics: Head, Ears, Eyes, Nose and Throat; Skin and Extremities, Mental Status, General Growth & Nutrition, Pulmonary, Musculoskeletal, Neurologic, Head and Neck, and Putting It All Together
- Lecturer, PhPr 175, Iatrogenic Diseases (1987-1996). Topic: Dermatological Iatrogenesis
- Lecturer, PhPr 177, Graduate Pathophysiology and Therapeutics. (1987-1996). Topics: Diabetes Mellitus
- Lecturer, EPID 140, Aging and Health (2000-2003). Topic: Medication Use in an Older Population
- Lecturer, OMSU 220, Clinical Therapeutics for Dental Graduate Students. Topic: Psychosocial Aspects of Drug Use
- Lecturer, PHYT 242, Pathology/Pharmacology for Physical Therapy (2001-2003). Topics: Pain, Diabetes Mellitus
- Course Coordinator, PHCY 608, Multidisciplinary Perspectives on Managing Diabetes Mellitus (2002 – 2010, and 2015 - 2022). Topics taught: Insulin Pharmacotherapy
- Course Coordinator, PHCY 132, Rural and Underserved: An Interdisciplinary Approach to Health Care (2004–2007)
- Lecturer, PHCY 40, Topical Issues in Health Sciences: Learning through Service in the Community (2005). Topic: Depression/Mental Illness
- Lecturer, PHCY 462, Professional Experience Program (2008-2010). Topic: Certificate Programs and Board Certification
- Lecturer, PHCY 463, Professional Development 3 (2012-2015). Topic: Advocacy Issues in Pharmacy
- Lecturer, DPPE 806, Medication Therapy Management (2008-2010). Topic: Billing for Cognitive Services
- Lecturer, PHCY 510, Foundations of Clinical Pharmacology (2016). Topics: Opioids, and Gastrointestinal Medications
- Lecturer, PHCY 803, Ambulatory Care Pharmacy Practice (2014-2017). Topic: Chronic Pain Management
- Recitation Leader, PHCY 617, Patient Care Experience I (2016 – 2018; 2022)
- Facilitator and Case Presenter, PHCY 631, Integrated Pharmacotherapy I (2023 – present). Topics: Management of Chronic Pain/Anxiety/Osteoporosis.
- Facilitator, PHCY 718, Patient Care Experience II (2017 - present)
- Facilitator and Case Presenter, PHCY 732, Integrated Pharmacotherapy II (2017 – 2019, 2024). Topic: Chronic Pain Management.
- Lecturer, SOCM 89, Use, Misuse, and Addiction to Opioids in the 21st Century (2018 - 2020)

Topic: Opioid Use Disorder

School of Medicine

Coordinator, Problem-Based Case Conference (1996 - 1999). Lecturer in third-year elective rotation in Family Medicine. Topic: Medication prescribing practices (1981-2002)

Lecturer, PASC 731, Pharmacology and Therapeutics III (2016 - 2018)
Topics: Pain Management and Dermatology

School of Nursing

Lecturer, NURS 229, Pharmacotherapeutics in Primary Care Nursing (1984–2005)
Topics: Dermatology; Diabetes Mellitus, Thyroid Disorders, Hematology (General)

Lecturer, NURS 720, Pharmacotherapeutics in Advanced Nursing Practice (2002 – present)
Topic: Pain Management

ADVISORY ACTIVITIES

Doctor of Pharmacy Candidates

Janice Parry, Pharm.D. (1983)	Kay Uttech, Pharm.D. (1989)
Vance Collins, Pharm.D. (1985)	Joey Pippin, Pharm.D. (1994)
Maureen Culhane, Pharm.D. (1985)	Amy Mewborn, Pharm.D. (1995)
Kathleen Petrizzi, Pharm.D. (1987)	Stephanie Pihl-Leggett, Pharm.D. (1995)
Ingrid B. Lewis, Pharm.D. (1988)	Angela S. Wilson, Pharm.D. (1996)

Pharmacy Residents

Ingrid Lewis, Pharm.D. (1989) - Specialty Resident in Geriatrics
 Kay Uttech, Pharm.D. (1990) - Specialty Resident in Geriatrics
 Valerie Brooks, B.S.Pharm. (1991) - Specialty Resident in Alcohol and Other Drug Abuse
 Sarah A. Salzberg, Pharm.D. (1999) - General Pharmacy Practice Resident
 Kam A. Capoccia, Pharm.D. (2000) - General Pharmacy Practice Resident
 Julie Tolle, Pharm.D. (2003) – Primary Care Practice Resident
 Caron Misita, Pharm.D. (2004) – Primary Care Practice Resident
 Debra S. Wobbleton, Pharm.D. (2005) – Primary Care Practice Resident
 Sarah K. Ford, Pharm.D. (2006) – Primary Care Practice Resident
 Alexander B. Guirguis, Pharm.D. (2007) – Primary Care Practice Resident
 Kathryn L. Kiser, Pharm.D. (2008) – Primary Care Practice Resident
 Lauren B. McKnight, Pharm.D. (2009) – Primary Care Practice Resident
 Katherine R. Gerrald, Pharm.D. (2010) – Primary Care Practice Resident
 Marcy T. DelMonte, Pharm.D. (2011) – Primary Care Practice Resident
 Jamie J. Cavanaugh, Pharm.D. (2012) - Primary Care Practice Resident
 Justinne Guyton, Pharm.D. (2013) – Primary Care Practice Resident
 Jennifer Simon, Pharm.D. (2014) – Primary Care Practice Resident
 Molly Howard, Pharm.D. (2015) – Primary Care Practice Resident
 Rachel C. Lee, Pharm.D. (2016) – Primary Care Practice Resident
 Kelly Mullican, Pharm.D. (2016) – Primary Care Practice Resident

Masters Candidates

Antonia Valakas, M.S. (1988) - Masters Candidate in Pharmacy Administration
 JungEun Ahn, M.S.Pharm. (1997) - Masters Candidate in Pharmacy
 Rosalind Lewis-Smith (2007) - Masters Candidate in Pharmacy (MPharm), University of Wales, Cardiff
 Marian Khalaf (2008) – Masters Candidate in Pharmacy (MPharm), University of Wales, Cardiff

School of Pharmacy Honors Candidates

Robin Ferguson Dills (1990)	Esther Onyoni (2005)
Ann Christine Teague (1991)	Andrea Leone (2007)
Michelle L. Geisler (1999)	Anne Misher (2012)
Kimberly Presnell (2001)	Adam Bernstein (2015)
Julie B. Cooper (2002)	
Sabina Ludy (2003)	

Department of Family Medicine Residents

Henry Simkin, M.D. (1986)	Valerie King, M.D. (1994)
Warren P. Newton, M.D. (1987)	Carmen Strickland, M.D. (1995)
Richard Tardell, M.D. (1988)	John Corey, M.D. (1996)
John J. Varenholt, M.D. (1989)	Roxanne Dietzler, D.O. (1996)
Margaret R. Helton, M.D. (1990)	Sarah Garritz, M.D. (1997)
Addison Wilson, M.D. (1991)	Terry Buchanan, M.D. (1998)
John Kessel, M.D. (1993)	Allison Evanoff, M.D. (1999)
Geoffrey R. Cox, M.D. (1994)	

Campbell Mentoring Program Mentees

Ruth Ann Lee, Pharm.D. (2012 – 2013)
 Casey Tak, Ph.D. (2018 – 2021)
 Wendy C. Cox, Pharm.D. (2021 – present)
 Carla Y. White, B.S.Pharm. (2022 – present)

GRANTS

1. Primary Investigator. Efficacy of etodolac in the management of acute pain. Funded by Ayerst Laboratories for \$16,000 (1984).
2. Co-investigator. Residency training grant in Family Medicine. Funded by the Bureau of Health Professions, U.S. Department of Health and Human Services for \$161,689 (1985).
3. Primary Investigator. Efficacy of single-dose metronidazole in the treatment of bacterial vaginosis. Funded by Searle Laboratories for \$2,800 (1985).
4. Co-investigator. Supplemental grant for residency training in Family Medicine with a focus in Patient Education. Funded by the Bureau of Health Professions, U.S. Department of Health and Human Services for \$151,200 (1986).
4. Co-investigator. Drug use in rest homes in North Carolina. Funded by the Hartford Foundation for \$565,000 (1988).

5. Primary investigator. Research grant to develop a post-doctoral specialty residency/fellowship in geriatric pharmacotherapy. Funded by Ciba-Geigy Pharmaceutical Company for \$10,000 (1988).
6. Co-investigator. Safety and Efficacy of Isradipine Once Daily for the Treatment of Moderate-to-Severe Essential Hypertension. Funded by Glaxo Pharmaceutical for \$12,395 (1989).
7. Primary investigator. Continuation grant for a post-doctoral specialty residency/fellowship in geriatric pharmacy. Funded by Ciba-Geigy Pharmaceutical Company for \$10,000 (1989).
8. Primary Investigator. Grant Awards for Pharmacy Schools (GAPS) Application, 1989-90 cycle. Title: Development of a Comprehensive Chemical Dependency Pharmacy Practice Residency and Education Network in North Carolina. Funded for \$36,251 (1990).
9. Primary Investigator. Development of a Computerized Chemical Dependency Pharmacy Practice Education Network in North Carolina. Funded by the DuPont Merck Pharmaceutical Company for \$1,500 (1991).
10. Primary Investigator. The Extent of Prescription Drug Abuse in the State of North Carolina. Funded by the Division of Mental Health, Developmental Disabilities and Substance Abuse Services, North Carolina Department of Human Resources for \$7,000 (1992).
11. Primary Investigator. *In Vitro* Evaluation of the Susceptibility of Various Species of Rickettsia to Azithromycin. Funded by Pfizer Laboratories for \$6,000 (1992).
12. Primary Investigator. *In Vitro* Evaluation of the Susceptibility of Various Species of Rickettsia to Roxithromycin. Funded by Roussel Uclaf for \$4,500 (1992).
13. Primary Investigator. *In Vitro* Evaluation of the Susceptibility of Various Species of Rickettsia to Clarithromycin. Funded by Abbott Laboratories for \$6,500 (1992).
14. Co-Investigator. Cognitive Impairment and Medication Appropriateness. Funded by the Agency for Health Care Policy and Research for \$192,297 (1993).
15. Primary Investigator. *In Vitro* Evaluation of the Susceptibility of Various Species of Rickettsia to Dirithromycin. Funded by Eli Lilly for \$6,000 (1993).
16. Primary Investigator. *In Vitro* Evaluation of the Susceptibility of Various Species of Rickettsia to ofloxacin and L-ofloxacin. Funded by McNeil Laboratories for \$6,500 (1993).
17. Primary Investigator. *In Vitro* Evaluation of the Susceptibility of *Bartonella (Rochalimaea) henselae*, *B. quintana*, and *B. elizabethae* to Azithromycin. Funded by Pfizer Laboratories for \$6,500 (1993).
18. Primary Investigator. *In Vitro* Evaluation of the Susceptibility of *Bartonella (Rochalimaea) henselae*, *B. quintana*, and *B. elizabethae* to Macrolide Antibiotics. Funded by Abbott Laboratories for \$21,600 (1993).
19. Co-Investigator. Development of Computerized Systems to Assist in Patient Management and Quality Assurance on a Family Medicine Inpatient Service. Funded by the Innovative Projects Program, The University of North Carolina Hospitals for \$33,852 (1993).

20. Co-Investigator. Management of Severe Disruptive Vocalization in Dementia: A Clinical Trial of Three Alternatives to Neuroleptics. Funded by the National Institute on Aging for \$965,769 (1994).
21. Primary Investigator. Use of Topical Fluticasone Propionate in the Treatment of Common Warts. Funded by Glaxo Dermatology for \$1,675 (1994).
22. Co-investigator. Improving the User Friendliness of the Family Practice Inpatient Service (FPIS) for Community Practitioners. Funded by the Innovative Projects Program, The University of North Carolina Hospitals for \$24,644 (1994).
23. Primary Investigator. *In Vitro* Evaluation of the Susceptibility of Various Species of *Bartonella* to Roxithromycin. Funded by Roussel Uclaf for \$4,430 (1995).
24. Primary Investigator. *In Vitro* Evaluation of the Susceptibility of *Bartonella henselae*, *B. quintana*, and *B. elizabethae* and *R. rickettsii* to 14-hydroxy clarithromycin. Funded by Abbott Laboratories for \$5,525 (1995).
25. Primary Investigator. Educational grant for a continuing education program: Menopause: A Multidisciplinary Look at Women's Concerns. Funded by Wyeth-Ayerst Laboratories for \$7,500 (1995).
26. Primary Investigator. *In Vitro* Evaluation of the Susceptibility of *Bartonella henselae*, *B. quintana*, and *B. elizabethae* and *R. rickettsii* to 14-hydroxy clarithromycin. Funded by Abbott Laboratories for \$15,000 (1995).
27. Primary Investigator. *In Vitro* Evaluation of the Susceptibility of *Bartonella henselae*, *B. quintana*, and *B. elizabethae* and *R. rickettsii* to trovafloxacin. Funded by Pfizer Laboratories for \$6,500 (1995).
28. Co-investigator. *In Vitro* Pharmacodynamic and Pharmacokinetic Aspects of THP-1 Human Monocyte Uptake, Distribution and Efflux of ¹⁴C-Grepafloxacin under Different Conditions. Funded by GlaxoWellcome for \$30,000 (1996).
29. Primary Investigator. Uptake of Tritium-labeled Azithromycin by Human Macrophages. Funded by Pfizer Laboratories for \$11,060 (1996).
30. Co-investigator. Uptake of Tritium-labeled Clarithromycin by Human Macrophages. Funded by Abbott Laboratories for \$10,125 (1996).
31. Primary Investigator. Initiation of a Cardiovascular Risk Reduction Clinic in a Family Practice Center. Funded by Wyeth-Ayerst for \$12,500 (1996).
32. Co-investigator. Asthma care and adherence to guidelines in an academic family medicine clinic. Funded by GlaxoWellcome for \$12,000 (1998).
33. Primary Investigator. *In vitro* evaluation of the susceptibility of *Bartonella henselae*, *B. quintana*, and *B. elizabethae* and *R. rickettsii* to trovafloxacin. Funded by Pfizer Laboratories for \$12,541 (1998).

34. Primary Investigator. *In vitro* analysis of the effect of phagocytosis on ¹⁴C-clarithromycin uptake, distribution and efflux by stimulated (THP-1) human monocytes. Funded by Abbott Laboratories for \$33,907 (1999).
35. Primary Investigator. *In vitro* analysis of the effect of phagocytosis on ¹⁴C-moxifloxacin uptake, distribution and efflux by stimulated (THP-1) human monocytes. Funded by Bayer Laboratories for \$33,917 (2000).
36. Co-investigator. Development of a Visiting Clinician Program at University of North Carolina. Funded by GlaxoSmithKline for \$25,000 (2000).
37. Primary Investigator. Pilot Study of a Pharmacist-led Disease Management Program for Patients with Chronic Pain in Primary Care. Funded by Pfizer for \$10,000 (2003).
38. Co-investigator. Predictors of opiate misuse in primary care. National Institute of Mental Health, January 1, 2007 – December 31, 2012. Direct costs: \$2.5 million; 20% effort (estimated; unfunded).
39. Primary investigator, United States Congressional Earmark Grant. Proposal title: Impact of a primary care practice model utilizing clinical pharmacist practitioners (CPP) to improve the care of Medicare-eligible populations in North Carolina. Funding agency: Office of Research, Development, and Information, Centers for Medicare & Medicaid Services. Estimated direct costs: \$ \$95,305.41.
40. Local Primary Investigator, from NIH/NHLBI, for \$819,787, 3/15/09 – 8/31/13. Subcontract to Carter BL, Primary Investigator. Carter BL, Ardery G, James PA et al. A collaborative model to improve blood pressure control and minimize racial disparities. Objective: To evaluate physician-pharmacist co-management of hypertension in a large multi-center clinical trial in clinics with geographic, racial and ethnic diversity.
41. Local Primary Investigator, from NIH/NHLBI, for \$10,112,371, 7/1/14 – 8/31/17. Subcontract to Carter BL, Primary Investigator. Carter BL, Coffey CS, James PA, et al. A web-based cardiovascular risk service to improve secondary prevention: MEDication Focused Outpatient Care for Underutilization of Secondary Prevention (MED-FOCUS). Objective: To conduct a multi-center, cluster-randomized implementation study utilizing a web-based, centralized cardiovascular risk service (CVRS) to determine the extent to which the CVRS model will be adopted and implemented in medical offices with large geographic, racial and ethnic diversity.
42. Primary Investigator, from Patient-Centered Outcomes Research Institute, for \$13,995,592. Pragmatic Study Comparing Pharmacist-Prescriber and Pharmacist-Patient Interventions for People Living with Chronic Pain (INSPIRE). Objective: To improve care for patients with chronic pain by comparing the effectiveness of two alternative pharmacist-led care models, an enhanced pharmacist care (pharmacist alone) intervention (EPCI) and an enhanced co-management (pharmacist-PCP) intervention (ECMI) that optimizes the pharmacist's patient-centered role. Unfunded.
43. Local co-Primary Investigator at UNC-Chapel Hill, from Patient-Centered Outcomes Research Institute, for \$9,005,704, February 1, 2018 – September 30, 2022. Subcontract to Research Triangle Institute, McCormack LA, Primary Investigator. A Holistic Approach to Reducing Opioid Use While Managing Chronic Pain (INSPIRE). Objective: To test whether chronic non-cancer pain patients on moderate- to high-dose opioids who receive a behavioral health

intervention comprising educational and Cognitive Behavioral Therapy components have lower daily opioid doses over the longer term (more than 12 months) relative to their counterparts who receive only risk assessment and monitoring and informed consent.

44. Local Primary Investigator, from NIH/NHLBI, for \$750,416, February 1, 2018 – January 31, 2023. Subcontract to Kennelty KA, Primary Investigator. A web-based cardiovascular risk service to improve secondary prevention: MEDication Focused Outpatient Care for Underutilization of Secondary Prevention (MED-FOCUS). Objective: To conduct a multi-center, cluster-randomized implementation study utilizing a web-based, centralized cardiovascular risk service (CVRS) to determine the extent to which the CVRS model will be adopted and implemented in medical offices with large geographic, racial and ethnic diversity.
45. Co-investigator, from Centers for Disease Control and Prevention, for \$2,999,999, September 2018 to August 2022. Ferreri S, Busby-Whitehead J, Urick B, Armistead L, Clarke C, Sanders K, Ives T, Roberts E. Implementation of a De-prescribing Medication Protocol to Evaluate Falls in Older Adults. (1 U01 CE002955-01).

Pharmacotherapy Self-Assessment Program, 5th Edition: Author, Government and Regulatory Authorities chapter, 2003.

Professional Activities

American Association of Colleges of Pharmacy

Section of Teachers of Pharmacy Practice (member, 1979 - present):

Program Committee (1989-1990)
 Task Force on Teaching Excellence (1990-1991)
 Chair, Membership and Resolutions Committee (1994-1997)
 Member, Resolutions Committee (2002–2004)
 Member, Nominations Committee (2004–2005)
 Member, Program Committee (2006–2008)
 Member, Communications Task Force/Committee (2006-2008); Chair (2006-2007)
 Secretary (2006–2008)
 Chair, Strategic Plan and Bylaws Task Force (2008-2009)
 Chair-Elect, Chair, Immediate Past Chair (2009-2011)
 Chair, Section Development Task Force (2012-2013)

Council of Faculties:

Faculty Affairs Committee (1991-1992, 2002-2003)
 Committee on Minimum Standards for Volunteer Faculty (1992-1993)
 Resolutions Committee (1993-94)
 SIG on Substance Abuse and Rehabilitation (1987 - present)
 Academic Management System (1988-1996)
 Standing Rules and Resolutions Committee (2009-2010, 2010-2011)

Council of Sections:

Member (2009-2015)
 Chair-Elect, Chair, and Immediate Past Chair (2012-2015)

Member, Board of Directors (2012-2015)

Chair, Program Committee (2014-2015)
 Member, Investment Committee (2014-2015)
 Chair New Investigator Award Selection Committee (2014-2015)
 Member, Strategic Planning Committee (2015-2016)

University of North Carolina Representative, House of Delegates (1989-1991)

Member, New Investigator Review Panel (1994-1996, 2012-2016)
 Member, AACP/Glaxo Wellcome Management Resources Project (1995-1996)
 Member, AACP/Novo Nordisk Pharmacy Practice Diabetes Program Award Review Panel (1995-2006)
 Member, Bylaws and Policy Development Committee (2003-2005; Chair, 2004-2005)
 Member, Volwiler Award Committee (2007)
 Member, AFPE – NACDS Foundation Faculty Fellowship in Community Pharmacy Practice Advisory Committee (2008-2013)
 Member, Executive Vice President Five-Year Review Committee (2016-2017)

American College of Clinical Pharmacy

Reviewer, Contributed Papers for Seventh Annual Meeting (1986)
 Budget and Finance Committee (1988-89, 1989-90, 1999-2000)
 Chair, Task Force on Ambulatory Care Clinical Pharmacy Services (1991-1993); Member, 1993-1994
 Research Institute Review Panel for Family Practice (1991-2002)
 Ambulatory Care Practice and Research Network (PRN) (member, 1992 - present)
 Founding Chair, Ambulatory Care PRN, 1992-1993
 Task Force on Reimbursement for Clinical Pharmacy Services (1998-1999)
 Public and Professional Relations Committee (2001-2002)
 Chair, Task Force on Advocacy (2002-2004)
 Secretary, and Member, Board of Regents (2002-2005)

American Diabetes Association

Professional Membership Task Force (1991-1992)
 Board of Directors, North Carolina Affiliate (1992-1995)
 Associate Editor, *Diabetes Spectrum* (1992-1995)
 Member, Scientific Sessions Meeting Committee, Abstract Review Section (1994-1995)

American Pharmacists Association

Member, 1979 – present
 Member, APhA-APPM Pain, Palliative Care and Addiction Special Interest Group (SIG) (2014 – present)
 Member, Policy & Professional Affairs Committee, Pain, Palliative Care and Addiction SIG (2018-2019)
 Member, Policy Committee, APhA Public Health SIG (2020 – 2023)

American Society of Health-System Pharmacists

Ambulatory Care Pharmacy Practice Special Interest Group (SIG) (member, 1979-89); Chair, 1985-1986)
 Contributed Papers Review Panel, Ambulatory Care/Primary Care sections (1983-2015)
 Primary Care Special Practice Group (SPG) (1989-1994)

Board of Pharmaceutical Specialties

Primary Care Item Writing Panel (1994-1999)

Kappa Psi Pharmaceutical Fraternity

Frank H. Eby National Award Committee (1991-1993)

North Carolina Association of Pharmacists

Clinical Pharmacist Practitioner Task Force (2004-2016)
 Medication Therapy Management Committee (2007-2009)

North Carolina Institute of Medicine

Editorial Board, *North Carolina Medical Journal* (2011-2017)

North Carolina Medical Society

Pharmacist representative, North Carolina Medical Society Prescription Drug Abuse Fraud & Diversion Task Force (2006-2007)

North Carolina Pharmaceutical Association

Finance Committee (1990-1996)

Health Reform and Health Policy (1995-1996)

Pharmaceutical Care and Compensation Committee (1994-1997)

State Legislation Committee (1995-1997)

Advisory Group for Pharmacy Practice Act Revision (1997-1999)

Public Health and Health Policy Committee (1994-1997; Chair, 1998-1999)

North Carolina Society of Hospital Pharmacists

Board of Directors (1985-1987)

Pharmacy Practice Committee (1986-1991, 1993-1995, 1998-1999); Chair, 1987-1988),
Chair, Program Committee (1988-1989)

Special Committee on Pharmacy as a Clinical Profession (1988-1989)

Finance Committee (1991-1993)

Society of Teachers of Family Medicine

Member, Group on Pharmacotherapy (1998-2002)

State of North Carolina

Advisory Board, NC Governor's Academy for Prevention Professionals (1990-2008)

Board of Directors, Governor's Institute on Alcohol and Substance Abuse (1992-1994)

Chair, North Carolina Task Force on Prescription Drug Abuse and Diversion (1992-1993)

Member, NC Board of Pharmacy Practice Act Revision Committee (1994-1998)

Member, National Pharmacy Diabetes Advisory Board (1994-1995)

Member, Advocacy, Leadership and Resource Development Task Force, Diabetes Control Program,
North Carolina Department of Health and Human Services (1996-2008; Chair, 2002-2005)

Member, Leadership Committee on Unintentional Drug Overdoses, North Carolina Department of Health
and Human Services (2005-2009)

Member, North Carolina Controlled Substances Reporting System Advisory Committee, Department of
Health and Human Services (2005-2019)

Member, Prescription Drug Abuse Advisory Committee, Department of Health and Human Services
(2016 – present)

Orange County, North Carolina

Board of Health, Orange County Health Department (1991-2000); Chair (1995-2000)

Orange County Home and Community Care Block Grant Advisory Committee (1992-1997)

Health Department Representative, UNC Hospitals Managed Care Committee (1997-1998)

ACADEMIC ACTIVITIES

University of North Carolina at Chapel Hill:

Eshelman School of Pharmacy

Faculty Advisor (Grand Council Deputy), Kappa Psi Pharmaceutical Fraternity (1983-2010)

Co-Coordinator, Geriatric Education Center, School of Pharmacy component (1986-1989)

Student Committee on Impairment (1986-1992; Chair, 1986-1990)
 Member, Honors Program Committee (1987-1993; 2008-2012); Chair (1988-1992)
 Graduate Faculty (1987 - present)
 School of Pharmacy Coordinator, Pharmacist Recovery Network (1987 - 1992)
 Co-Coordinator, UNC-Duke Pharmacotherapy Seminar (1987 - 1988)
 Curriculum Committee (1987-1989)
 Chair, School of Pharmacy Planning Committee - Teaching Group (1990-1991)
 Interim Chair, Division of Pharmacy Practice (1992-1994)
 School of Pharmacy Faculty Advisor, Chapel Hill IFC Homeless Shelter (1990-1999)
 GAPS Review Committee (1993-1999)
 Admissions Committee (1994-1997; 2004 – present; Chair, 2010-2014, 2017-2022)
 Scholastic Achievement and Progression Committee (2000-2003)
 Member, Ferguson Lectureship Committee (2004-2007; Chair, 2004)
 Member, Ad Hoc Ambulatory Care Committee (2004)
 Member, Ad Hoc Committee to Review Existing Standing Committees (2004)
 Chair, Strategic Planning Task Force, Division of Pharmacy Practice & Experiential Education (2007-08)
 Member, Collaborative Working Group (between UNC Health System Department of Pharmacy and the Eshelman School of Pharmacy (2008-2009)
 Member, Full Professors Committee (2010 – present)
 Secretary of the Faculty (2013-2015)
 Chair, Eshelman School of Pharmacy Faculty Governance Revision Committee (2014-2015)
 Member, Student Directed Practicum Planning Committee (2016)
 Member, Integrated Pharmacotherapy Content Planning Committee (2016-2017)
 Eshelman School of Pharmacy representative to the Health Sciences Advisory Committee (2018 – present)
 Chair, Health Sciences Advisory Committee (2022 – present)
 Executive Vice Chair, Division of Practice Advancement and Clinical Education (2023 – present)

School of Medicine

Member, UNC Health Care Pharmacy & Therapeutics Committee (1982 - present)
 Residency Selection Committee, Department of Family Medicine (Chair, 1983-1986, and 1988-1993)
 School of Medicine Alcohol and Substance Abuse Curriculum Committee (1985-1993)
 Pharmacy and Therapeutics Committee, Generations Health Plan (1998-2000)
 Visiting Clinician Program Advisory Committee (2001-2003)
 Director, Chronic Pain Program, Division of General Medicine and Clinical Epidemiology (2002 – present)
 Member, UNC Health Care Pain Management Program (2005-2010)
 Member, UNC Diabetes Interest Group, Carolina Roadmap Initiative (2005-2009)
 Member, UNC Health Care Opioid Stewardship Steering Committee (2019-2021)

General University/UNC General Administration

Member, Faculty Council (2011-2020)
 Member, Faculty Welfare Committee (2013-2018); Chair (2013-2017)
 Member, Faculty Committee on Athletics (1992-1993)
 Member, Community and Diversity Committee (2002-2005)
 Member, High-Risk Alcohol and Substance Abuse Working Group (2015)
 Interim Chair, Health Sciences Advisory Committee (2022-2023)
 Chair, Health Sciences Advisory Committee (2023 – present)

University of North Carolina System Faculty Assembly

Member, UNC-Chapel Hill Faculty Assembly Delegation (2015-2020)
 Member, UNC System Faculty Assembly Executive Committee (2016-2023)
 Vice Chair, UNC System Faculty Assembly (2017-2019)
 Faculty Representative, UNC System Finance Committee (2016-2018)
 Chair-Elect, UNC System Faculty Assembly (2019-2020)
 Chair, UNC System Faculty Assembly (2019-2022)
 Immediate Past Chair (2022-2023)
Ex officio member, UNC System Presidential Search Committee (2019-2020)
Ex officio member, UNC System Board of Governors Committee on University Governance (2019-2020)
Ex officio member, UNC System Board of Governors Committee on Educational Planning, Policies, and Programs (2020-2022)
Ex officio member, UNC System Board of Governors Committee on Personnel and Tenure (2020-2022)
 Member, UNC System Common Numbering System initiative (2021-2022)
 Member, UNC System Return on Investment Committee (2022-2023)

EXTERNAL REVIEWERS/VISITATIONS OF UNC-CH DISEASE MANAGEMENT PROGRAM

1. U.S. Representative David Price – February 2004
2. Philip Johnston, Pharm.D., Department of Pharmacy, Vanderbilt University, March 2004
3. Julie Silverstein, MD, Department of Medicine, Wilmington Hospital, Wilmington, DE, June 2004
4. Betty Ann Johnson, MD, Division of General Internal Medicine and Primary Care, Medical College of Virginia – July 2004
5. U.S. Representative Richard Burr – August 2004
6. Michael J. Barry, MD, Chief, Department of General Medicine, Massachusetts General Hospital, Boston, MA – September 2004
7. Quality of Care Committee, University of California at San Francisco – November 2004
8. Internal (i.e., to NC) Reviewers (2005 - present):
 - UNC-CH Departments of Family Medicine, and Pediatrics
 - Various Faculty, Duke University, Department of Medicine, 2005
 - Various Providers, Rex Healthcare System, Raleigh, 2005
 - Various Medical Directors, Blue Cross/Blue Shield of North Carolina, 2005 and 2005
 - Nancy Henley, MD, Medical Director, State Health Plan of North Carolina, 2006 & 2007
 - George Stokes, Executive Director, State Health Plan of North Carolina, 2006
 - William Primack, MD, UNC-CH Division of Nephrology, 2007
 - Thomas Wroth, MD, UNC-CH Department of Family Medicine, 2007
 - Samuel Weir, MD, UNC-CH Department of Family Medicine, 2007
 - Care Managers, Central Carolina Health Network, 2004 and 2007

PROFESSIONAL PRESENTATIONS

Tenth Annual Regional Conference for Hospital Pharmacy Teachers, Residents, and/or Graduate Students, Athens, GA, February 24, 1979. Topic: Florida Hospital Administrators' Attitudes Toward Clinical Pharmacy.

Utah State Prison System Conference on Drugs, Draper, UT, March 4, 1980. Topic: Management of Substance Abuse.

University of Utah, Salt Lake City, UT, June 15-19, 1980. Invited participant, School on Alcoholism and Other Drug Dependencies.

Alamance County Pharmaceutical Association Meeting, Burlington, NC, September 23, 1981. Topic: Drug Interactions.

Fifteenth Annual North Carolina Society of Hospital Pharmacists Fall Seminar, Raleigh, NC, October 28, 1981. Invited speaker. Topic: Single-Dose Treatment of Urinary Tract Infections.

Family Nurse Practitioner Program, School of Nursing, UNC-CH, February 8, 1982. Topic: Infectious Diseases and Antimicrobial Agents.

Department of Family Medicine Noon Conference, Womack Army Hospital, Fayetteville, NC. Invited speaker, March 15, 1982. Topic: Pharmacologic Inhibition of Premature Labor.

Department of Family Medicine Noon Conference, Womack Army Hospital, Fayetteville, NC. Invited speaker, October 18, 1982. Topic: Drug Therapy of Hypertension.

Columbia, SC AHEC. Invited speaker, May 26, 1982. Topic: Drugs Therapeutically Monitored.

Second Annual Society of Teachers of Family Medicine Southeastern Regional Meeting, Chapel Hill, NC, September 28, 1982. Topic: Role of the Clinical Pharmacist in Family Medicine Residency Programs.

Department of Family Medicine Noon Conference, Womack Army Hospital, Fayetteville, NC. Invited speaker, April 19, 1983. Topic: Antidepressant Pharmacotherapy.

UNC-CH Family Medicine Conference Day VII, Chapel Hill, NC, May 26, 1983. Topic: Constant Morphine Infusion for Sickle Cell Crisis Pain.

School of Pharmacy, UNC-CH, Continuing Education Program, October 4, 1983. Topic: Common Dermatologic Disorders.

Wilmington AHEC, Wilmington, NC. Invited speaker, October 25, 1983. Topic: Common Dermatologic Disorders.

School of Dentistry, UNC-CH, Dental Pharmacology Course. February 28, 1984. Topic: Psychotherapeutic Agents.

School of Nursing, UNC-CH, Family Nurse Practitioner Program. February 17, 1983 and March 2, 1984. Topic: Antimicrobial Agents.

ASHP Annual Meeting, Boston, MA. Invited speaker for Ambulatory Care Pharmacy Practice SIG Session, June 6, 1984. Topic: Acne Therapy.

Wake AHEC, Raleigh, NC. Invited speaker, October 15, 1984. Topic: Common Dermatologic Disorders/OTC Products.

Wake Medical Center, Raleigh, NC. Invited speaker for AHEC Noon Conference, April 2, 1985. Topic: Treatment of Common Dermatologic Disorders.

Northwest AHEC, Salisbury and Hickory, NC. Invited speaker, September 24 and October 20, 1985. Topic: Dermatology: Product Selection and Patient Counseling.

UNC-CH School of Nursing, Chapel Hill, NC. Invited speaker for Continuing Education Conference, October 4, 1985. Topic: Pain Control.

ASHP Midyear Clinical Meeting, New Orleans, LA. Moderator for Ambulatory Care Pharmacy Practice SIG Session, December 3, 1985. Topic: Current Controversies in the Management of Hypertension.

UNC-CH Geriatric Education Center. Invited Speaker for HPA 202, Geriatric Health and Medical Care, February 26, 1986. Topic: Pharmacology and the Elderly.

North Carolina Rural Health Services, Chapel Hill, NC. Invited speaker for Annual Spring Continuing Medical Education Conference, March 20, 1986. Topic: New Drug Update.

UNC-CH School of Pharmacy Alumni Association, Chapel Hill, NC. Invited speaker for 1986 Annual Spring Reunion, May 4, 1986. Topic: Update on Topical Dermatologic Products.

UNC-CH Family Medicine Conference Day X, Chapel Hill, NC, May 30, 1986. Topic: Effect of an Educational Intervention on Oral Cephalosporin Use in Primary Care.

UNC-CH Geriatric Education Center. Invited speaker for GEC Summer Institute, June 17, 1986. Topic: Drug Use in the Elderly.

International Diabetes Center, Minneapolis, MN, October 20-24, 1986. Invited participant in Pharmacy Educator Classweek in Diabetes Education.

ASHP Midyear Clinical Meeting, Las Vegas, NV. Moderator for Ambulatory Care Pharmacy Practice SIG Session, December 9, 1986. Topic: Substance Abuse.

Wilmington AHEC, Whiteville, NC. Invited speaker, January 28, 1987. Topic: Common Community Dermatologic Disorders.

Greensboro AHEC, Greensboro and Burlington, NC. Invited speaker, March 10 and 25, 1987. Topic: Common Dermatologic Disorders.

UNC-CH Geriatric Education Center. Invited speaker for GEC Summer Institute, June 5, 1987. Topic: Drug Use in the Elderly.

Eighth Annual Family Medicine Fellows' Symposium, UNC-CH. Invited presenter, June 11, 1987. Topic: Dermatologic Adverse Drug Reactions in a Primary Care Setting.

Northwest AHEC, Boone and Winston-Salem, NC. Invited speaker, September 8, 1987 and March 6, 1988. Topic: Common Dermatologic Disorders.

Preventative Health Care Program for Senior Citizens, Greensboro, NC, sponsored by Congressman Howard Coble. Invited speaker, September 21, 1987. Topic: Tips on Prescription/OTC Drug Use by Older Americans.

Orange County School System Parent-Teacher Association (PTA), Hillsborough, NC. Invited speaker, November 18, 1987. Topic: Drugs in the Schools.

UNC-CH Second Annual Sports Medicine Conference, Chapel Hill, NC. Invited speaker, December 5, 1987. Topic: Drugs for Musculoskeletal Injuries - Effects and Side Effects.

Charlotte AHEC, Lincolnton, NC. Invited speaker, April 17, 1988. Topic: Common Dermatologic Disorders.

Annual Meeting, District III, National Association of Boards of Pharmacy and American Association of Colleges of Pharmacy, Gatlinburg, TN. Invited speaker, August 14, 1988. Topic: Review of AACP Guidelines for the Development of Chemical Impairment Policies for Colleges of Pharmacy.

Charlotte AHEC, Charlotte, NC. Invited speaker, September 15, 1988. Topic: Common Dermatologic Disorders.

North Carolina Academy of Consulting Pharmacists, Wrightsville Beach, NC. Invited speaker, September 17, 1988. Topic: Workshop on Consultant Pharmacy Services for the Elderly.

United Nations Association, Worldwide Multilateral Report on AIDS, Drug Abuse, and Pharmaceutical Quality, Chapel Hill, NC. Invited speaker, October 11, 1988. Topic: Worldwide Status on Substance Abuse Control Efforts.

Department of Family Medicine, UNC-CH, Wildacres, NC. Selected Lecturer, Seventh Annual David S. Citron Lecture, October 14, 1988. Title: What I Did on My Summer Vacation: The Role of Public Health in Family Medicine.

School of Pharmacy Alumni Association, UNC-CH. Invited speaker for 1988 Annual Fall Reunion, October 22, 1988. Topic: Substance Abuse: Educational Strategies for Prevention.

Wake AHEC, Smithfield, NC. Invited speaker, November 10, 1988. Topic: Antimicrobial Agents in Community Dental Practice.

Charlotte AHEC, Rutherfordton, NC. Invited speaker, November 13, 1988. Topic: Common Dermatologic Disorders.

ASHP Midyear Clinical Meeting, Dallas, TX. Moderator for Ambulatory Care Pharmacy Practice SIG Session, December 5, 1988. Topic: Impact of Therapeutic Innovation on Patient Outcomes.

Governor's Institute for Drug and Alcohol Abuse, Kenan Conference Center, UNC-CH, Chapel Hill, NC. Invited participant, February 10, 1989. Topic: Institute Planning Meeting.

Wake AHEC, Raleigh, NC. Invited speaker, March 7, 1989. Topic: Antimicrobial Agents in Community Dental Practice.

Charlotte AHEC, Charlotte, NC. Invited speaker, April 13, 1989. Topic: Hair - Development, Growth, Care, Loss, and Restoration.

Eastern AHEC, New Bern, NC. Invited speaker, April 29, 1989. Topic: Management of Community Acquired Pneumonias.

Symposium on the Pharmacist's Role and Responsibility in Health Promotion and Disease Prevention, North Myrtle Beach, SC. Invited speaker, May 21, 1989. Topic: Alcoholism: Current Concepts and Treatment Modalities.

Greensboro AHEC, Greensboro, NC. Invited speaker, October 10, 1989. Topic: Clinical Applications of Nonsteroidal Anti-inflammatory Agents.

UNC-CH Program on Aging, Geriatric Update 1990, Research Triangle Park, NC. Invited Speaker, February 1, 1990. Topic: Current Issues in Hospital Care of the Elderly: Prevention of Iatrogenic Disease.

Charlotte AHEC, Charlotte, NC. Invited speaker, February 7, 1990. Topic: Clinical Applications of Nonsteroidal Anti-inflammatory Agents.

College of Pharmacy, University of Arizona, Tucson, AZ. Invited speaker, February 17, 1990. Topic: Oral Hypoglycemic Agents in Non-Insulin Dependent Diabetes Mellitus (NIDDM).

Wake AHEC, Raleigh, NC. Invited speaker, May 3, 1990. Topic: Dermatologic Adverse Effects of Pharmacotherapy.

Eastern AHEC, Kill Devil Hills, NC. Invited speaker, May 24, 1990. Topic: Anabolic Steroids: Sports Use or Abuse?

24th/16th Annual Carolina Hospital/Clinical Pharmacy Seminar, Greensboro, NC, September 26, 1990. Topic: Dermatologic Adverse Drug Reactions.

69th North Carolina Social Services Institute, Research Triangle Park, NC. Invited speaker, November 1, 1990. Topic: Drug Misuse/Substance Abuse in Disabled/Older Patients.

School of Dentistry, UNC-CH, Chapel Hill, NC. Invited speaker, November 1 & 2, 1990. Topic: Chemical Dependency in the Dental Profession.

Academy of Students of Pharmacy Regional Meeting, Research Triangle Park, NC. Invited speaker, November 3, 1990. Topic: Substance Abuse Issues in Schools of Pharmacy.

Person County Pharmaceutical Association, Roxboro, NC. Invited speaker, November 4, 1990. Topic: Clinical Applications of Nonsteroidal Anti-inflammatory Agents.

Challenges of Practice in the 90's, School of Medicine, UNC-CH, Chapel Hill, NC. Invited speaker, April 14, 1991. Topic: Diabetes Care Update.

Wilmington AHEC, Wilmington, NC. Invited speaker, May 7, 1991. Topic: Dermatology for Pharmacists.

North Carolina Governor's Academy for Prevention Professionals, Chapel Hill, NC. Invited speaker, May 10, 1991. Topic: Pharmacologic Aspects of Substance Abuse.

North Carolina Governor's Academy for Prevention Professionals, Chapel Hill, NC. Invited speaker, September 13, 1991. Topic: Pharmacologic Aspects of Substance Abuse II.

Sixth Annual Pharmacy Practice Seminar, Wilmington, NC. Invited main speaker, September 15, 1991. Topic: Common Dermatological Problems.

Department of Dermatology, School of Medicine, Duke University, Durham, NC. Invited speaker, September 17, 1991. Topic: Dermatologic Formulations.

Conference on Medication and Alcohol Use, Misuse, and Abuse in Geriatrics, Wake County Alcoholism Treatment Center/Wake AHEC, Raleigh, NC. Invited speaker, October 10, 1991. Topic: Understanding the Principles of Pharmacology as Related to the Aging Population.

Greensboro AHEC, Greensboro, NC. Invited speaker, December 15, 1991. Topic: Update on the Pharmacotherapy of Diabetes Mellitus.

Geriatric Update 1992, Program on Aging, School of Medicine, UNC-CH, Chapel Hill, NC. Invited speaker, January 30, 1992. Topic: Adverse Drug Reaction Monitoring in an Older Population.

Certification Review Course for Diabetes Educators, School of Nursing, UNC-CH, Chapel Hill, NC. Invited speaker, March 5, 1992. Topics: Pharmacotherapy of Diabetes Mellitus.

Mountain AHEC, Asheville, NC. Invited speaker, May 7, 1992. Topic: Update on Dermatologic Products for Pharmacists.

Prevention for the 90's: A Menu of Diversity, sponsored by the Governor's Council on Alcohol and Other Drug Abuse. Invited Speaker, May 14, 1992. Topic: Prescription Drug Use, Misuse, and Abuse in an Older Population.

Department of Pharmacy, University of North Carolina Hospitals, Chapel Hill, NC. Invited speaker, May 17, 1992. Topic: Current Concepts in the Pharmacotherapy of Diabetes Mellitus.

Eastern AHEC, Elizabeth City, NC. Invited speaker, September 30, 1992. Topic: Pharmaceutical Care: Pharmacotherapy Work-up.

Northwest AHEC, Lenoir, NC. Invited speaker, October 14, 1992. Topic: Substance Abuse.

Third Annual Diabetes Symposium, Sentara Hospitals, Virginia Beach, VA, October 30, 1992. Topic: Update on the Role of Pharmacotherapy in the Management of Diabetes Mellitus.

Eastern AHEC, Morehead City, NC. Invited speaker, November 15, 1992. Topic: Update on Dermatologic Pharmacotherapeutics.

Practice Dilemmas in Geriatric Care, Program on Aging, School of Medicine, UNC-CH, Chapel Hill, NC. Invited speaker, January 14, 1993. Topic: "Geriatric Accutane": Adverse Drug Effects with Finasteride.

Lecture Series, Program on Aging, School of Medicine, UNC-CH, Chapel Hill, NC. Invited speaker, February 3, 1993. Topic: Questions Older Patients Should Be Asking You About Drug Use, and Vice Versa.

North Carolina Governor's Academy for Prevention Professionals, Chapel Hill, NC. Invited speaker, February 5, 1993. Topic: Clinical Pharmacology of Common Substances of Abuse in the Community.

Certification Review Course for Diabetes Educators, School of Nursing, UNC-CH, Chapel Hill, NC. Invited speaker, February 11, 1993. Topics: Insulin and Oral Hypoglycemic Agent Pharmacotherapy.

Charlotte AHEC, Gastonia, NC. Invited speaker, March 16, 1993. Topic: Current Concepts in the Pharmacotherapy of the Diabetes Mellitus.

Mountain AHEC, Asheville, NC. Invited speaker, April 8, 1993. Topic: The Pharmacist and Pharmacotherapy: Work-up and Monitoring.

Spring Meeting, Virginia Society of Hospital Pharmacists, Abingdon, VA. Invited speaker, May 21, 1993. Topic: Update in the Pharmacotherapy of the Patient with Diabetes Mellitus.

American College of Clinical Pharmacy Annual Meeting, August 17, 1993, Reno, NV. Topic: Reimbursement for Clinical Services and Research. Also, Developer and moderator, Clinical Pharmacy in the Community, August 16, 1993.

Eighth Annual Pharmacy Practice Seminar, Coastal AHEC, Wilmington, NC. Invited speaker, September 12, 1993. Topic: Complications of Diabetes Mellitus.

Northwest AHEC, Hickory, NC. Invited speaker, October 14, 1993. Topic: Innovative Teaching Techniques for Patients with Diabetes.

Wake County Pharmaceutical Association, Raleigh, NC. Invited speaker, January 13, 1994. Topic: Results of the Diabetes Control and Complications Trial: Implications for Pharmacists.

Greensboro AHEC, Eden, NC. Invited speaker, January 16, 1994. Topic: Substance Abuse.

Practice Dilemmas in Geriatric Care, Program on Aging, School of Medicine, UNC-CH, Chapel Hill, NC. Invited speaker, January 20, 1994. Topic: Accidental Hypothermia.

North Carolina Governor's Academy for Prevention Professionals, Chapel Hill, NC. Invited speaker, January 21, 1994. Topic: Pharmacology of Alcohol and Other Common Drugs of Abuse in the Community.

Greensboro AHEC, Greensboro, NC. Invited speaker, February 13, 1994. Topic: Pharmacologic Aspects of Alcohol and Other Drug Abuse.

Greensboro AHEC, Burlington, NC. Invited speaker, March 23, 1994. Topic: Pharmacotherapeutic Management of Alcohol Abuse and Alcoholism.

Northwest AHEC, Thomasville, NC. Invited speaker, June 5, 1994. Topic: Patient Pharmacotherapy Work-Up.

Cumberland County Pharmaceutical Association, Fayetteville, NC. Invited speaker, August 16, 1994. Topic: Update on Diabetes Mellitus and the Results of the Diabetes Control and Complications Trial: Implications for Pharmacists.

Orange-Chatham Comprehensive Health Services, Carrboro, NC. Invited speaker, Clinicians Conference, August 23, 1994. Topic: New Drug Update for Primary Care Physicians.

Ninth Annual Pharmacy Practice Seminar, Coastal AHEC, Wilmington, NC. Invited speaker, September 11, 1994. Topic: Management of Diabetes Mellitus.

Pharmacology Update for Primary Care Providers, UNC-CH School of Nursing, Chapel Hill, NC. Invited speaker, October 13, 1994. Topic: Dermatologic Conditions.

Area L AHEC, Rocky Mount, NC. Invited speaker, October 20, 1994. Topic: Alcohol and Other Drug Abuse.

Greensboro AHEC, Greensboro, NC. Invited speaker, December 10, 1994. Topic: Results of the Diabetes Control and Complications Trial: Implications for Pharmacists.

Challenges in Geriatric Practice, Program on Aging, School of Medicine, UNC-CH, Chapel Hill, NC. Invited speaker, January 19, 1995. Topic: Treatment of Chronic Sun-Induced Damage.

Annual Winter Meeting, North Carolina Society of Hospital Pharmacists, Greensboro, NC. Invited speaker, February 10, 1995. Topics: Assessing & Monitoring Guidelines to Prevent Long-Term Diabetic Complications, and the Role of Pharmacists in a Diabetes Management Program.

Charlotte AHEC, Lincolnton, NC. Invited speaker, February 19, 1995. Topic: Alcohol and Drug Abuse.

Area L AHEC, Rocky Mount, NC. Invited speaker, June 29, 1995. Topic: Primary Care for Pharmacists: Common Illnesses and Injuries.

Annual Meeting, Arkansas Society of Hospital Pharmacists, Little Rock, AR. Invited speaker, August 11, 1995. Topic: Reimbursement for Cognitive Clinical Pharmacy Services in an Ambulatory Care Setting.

Charlotte AHEC, Concord, NC. Invited speaker, September 6, 1995. Topic: Substance Abuse.

Tenth Annual Pharmacy Practice Seminar, Coastal AHEC, Wilmington, NC. Invited speaker, September 10, 1995. Topic: Dermatology Update.

Charlotte AHEC, Shelby, NC. Invited speaker, October 22, 1995. Topic: Substance Abuse.

Wake AHEC, Henderson, NC. Invited speaker, November 8, 1995. Topic: Update on the Management of Diabetes Mellitus.

Greensboro AHEC, Greensboro, NC. Invited speaker, December 3, 1995. Topic: Counseling the Patient with Diabetes: The Diabetes Control and Complications Trial (DCCT).

Challenges in Geriatric Practice, Program on Aging, School of Medicine, UNC-CH, Chapel Hill, NC. Invited speaker, January 11, 1996. Topic: Pharmacologic Approaches to Elderly Patients.

Care of Patients with Diabetes Mellitus in the Office Setting, School of Nursing, UNC-CH, Chapel Hill, NC. Invited speaker, March 7, 1996. Topic: Pharmacotherapeutic Advances.

Virginia Pharmacists Association Midyear Meeting, Williamsburg, VA. Invited speaker, May 5, 1996. Topic: Solving Drug-Related Problems in the Patient with Diabetes.

Pharmacist's Diabetes Alliance, Greensboro, NC. Invited speaker, June 8, 1996. Current Status of National Guidelines/Protocols for Pharmacist Disease Management Roles with Patients with Diabetes.

American College of Clinical Pharmacy Annual Meeting, Nashville, TN. Invited speaker, August 6, 1996. Topic: Roundtable presentation on Diabetes Outpatient Care Paths.

Eleventh Annual Pharmacy Practice Seminar, Coastal AHEC, Wilmington, NC. Invited speaker, September 8, 1996. Presentation Topic: Physical Assessment Primer. Workshop: ENT Assessment.

Women's Health and Diabetes: Looking Toward the Future, UNC-CH Schools of Nursing, Medicine, and Pharmacy. Invited speaker, September 27, 1996. Topic: New Frontiers in Pharmacotherapeutics.

Annual Meeting, Piedmont Health Services, Chapel Hill, NC. Invited speaker, October 4, 1996. Topic: Pharmacotherapeutic Update in the Management of Diabetes Mellitus and Obesity.

Challenges in Geriatric Practice, Program on Aging, School of Medicine, UNC-CH, Chapel Hill, NC. Invited speaker, January 9, 1997. Topic: Chronopharmacotherapeutics in an Older Population.

Department of Medicine/Pediatrics Adolescent Medicine Grand Rounds, School of Medicine, UNC-CH, Chapel Hill, NC. Invited speaker, February 13, 1997. Topic: Recreational Drug Use: What Are The Effects?

Annual Winter Meeting, North Carolina Society of Health-System Pharmacists, Charlotte, NC. Invited speaker, February 28, 1997. Topic: Basic Physical Assessment.

144th Annual Meeting, American Pharmaceutical Association, Los Angeles, CA. Invited speaker, March 7, 1997. Topic: Workshop on Physical Assessment Skills for Pharmacists: Skin and Extremities.

Coastal AHEC, Wilmington, NC. Invited speaker, April 3, 1997. Topic: Clinical Reasoning Skills and Physical Assessment.

1997 Midyear Meeting, Florida Society of Health-System Pharmacists, Fort Lauderdale, FL. Invited speaker, May 17, 1997. Topic: Reimbursement for Pharmacist Activities in a Family Practice Clinic Setting.

Triangle College of Clinical Pharmacy, Research Triangle Park, NC. Invited speaker, September 23, 1997. Topic: Update in the Pharmacotherapy of Diabetes Mellitus.

Family Medicine Grand Rounds, Wake AHEC, Wake Medical Center, Raleigh, NC. Invited speaker, September 27, 1997. Topic: Antibiotic Update for the Family Physician.

Northwest AHEC, Winston-Salem, NC. Invited speaker, Diabetes Certificate Program, October 16, 1997. Topics: Physical Assessment of the Patient with Diabetes, and Therapeutic Approaches.

Annual Meeting, Piedmont Health Services, Chapel Hill, NC. Invited speaker, October 24, 1997. Topics: Primary Care Drug Update, and Disease Management by Pharmacists in the Management of Hypertension, Asthma, and Diabetes Mellitus.

Advanced Pharmacology Review Series, UNC-CH School of Nursing, Chapel Hill, NC. Invited speaker, November 14, 1997. Topic: Pharmacology of Endocrine Disorders.

Coastal AHEC, Wilmington, NC. Invited speaker, January 27, 1998. Topic: Clinical Reasoning Skills for Pharmacists.

Annual Winter Meeting, North Carolina Society of Health-System Pharmacists, Greensboro, NC. Invited speaker, February 13, 1998. Topic: Basic Cardiac Physical Assessment.

Annual Meeting, Diabetes Today, North Carolina Diabetes Control Program, North Carolina Department of Health and Human Resources, Burlington, NC. Invited speaker, February 19, 1998. Topic: Diabetes Update 1998.

Diabetes Review Course, School of Nursing, UNC-CH, Chapel Hill, NC. Invited speaker, March 13, 1998. Topic: Pathophysiology of Diabetes Mellitus.

145th Annual Meeting, American Pharmaceutical Association, Miami Beach, FL. Invited speaker, March 20, 1998. Topic: Workshop on Physical Assessment Skills for Pharmacists: Skin and Extremities.

Northwest AHEC, Winston-Salem, NC. Invited speaker, Diabetes Certificate Program, May 14, 1998. Topics: Physical Assessment of the Patient with Diabetes, and Therapeutic Approaches.

Wake AHEC, Raleigh, NC. Invited speaker, May 21, 1998. Topic: Dermatology for the Pharmacist: Rashes that Itch and Itches that Rash.

118th Annual Meeting, North Carolina Pharmaceutical Association, Chapel Hill, NC. Invited speaker, May 30, 1998. Topic: Workshop on Physical Assessment of Skin and Extremities.

Thirteenth Annual Pharmacy Practice Seminar, Coastal AHEC, Wilmington, NC. Invited speaker, September 13, 1998. Presentation Topic: Physical Assessment Primer. Workshop: Cardiac Physical Assessment.

Southern AHEC, Fayetteville, NC. Invited speaker, Diabetes Certificate Program, October 26, 1998. Topics: Physical Assessment of the Patient with Diabetes, and Therapeutic Approaches.

Charlotte AHEC, Charlotte, NC. Invited speaker, November 5, 1998. Topic: Clinical Reasoning Skills for Pharmacists.

North Carolina Association of Health Nurses Annual Meeting, Greensboro, NC. Invited speaker, February 27, 1999. Topic: Managing Diabetes in the Workplace.

146th Annual Meeting, American Pharmaceutical Association, San Antonio, TX. Invited speaker, March 5, 1999. Workshop on Physical Assessment Skills for Pharmacists. Topic: Assessment of Skin and Extremities.

Charlotte AHEC, Charlotte, NC. Second Annual Carolina Anticoagulation ReSource Group Meeting. Invited speaker, March 12, 1999. Topic: Workshop on Reimbursement Issues in 1999.

Northwest AHEC, Winston-Salem, NC. Invited speaker, Diabetes Certificate Program, June 8, 1999. Topics: Physical Assessment of the Patient with Diabetes, and Therapeutic Approaches.

20th Annual Meeting, American College of Clinical Pharmacy, Kansas City, MO. Invited speaker, October 23, 1999. Topic: How to Bill for Clinical Pharmacy Services.

Grand Rounds, Department of Family Medicine, Wake Medical Center, Raleigh, NC. Invited speaker, November 5, 1999. Topic: Approach to MRSA and VRE.

Wake AHEC, Raleigh, NC. Invited speaker, February 10, 2000. Topic: Reimbursement Issues for Pharmacists.

Minnesota Society of Health-System Pharmacists Annual Meeting, Rochester, MN. Keynote speaker, April 8, 2000. Topic: Practice Act Integration: Practical and Future Issues.

Eastern AHEC, Greenville, NC. Invited speaker at Diabetes Management: A Certificate Program, April 9, 2000. Topic: Physical Assessment of the Patient with Diabetes.

35th Annual ASHP Midyear Clinical Meeting, Las Vegas, NV. Invited speaker, December 2, 2000. Topic: How to Bill for Clinical Pharmacy Services: How to Set Up Successful Inpatient Billing.

UNC School of Pharmacy/UNC Hospitals Department of Pharmacy Continuing Education Series, Chapel Hill, NC. Invited speaker, January 22, 2001. Topic: Role of the Pharmacist in Diabetes Mellitus Management.

Area L AHEC, Rocky Mount, NC. Invited speaker, February 27, 2001. Topic: Dermatologic Problems for Nurse Practitioners.

2001 Spring Practice and Research Forum, American College of Clinical Pharmacy, Salt Lake City, UT. Invited speaker, April 21, 2001. Topic: How to Bill for Clinical Pharmacy Services - Inpatient Setting.

Sixteenth Annual Pharmacy Practice Seminar, Coastal AHEC, Wilmington, NC. Invited speaker, September 9, 2001. Topic: Cardiac Physical Assessment.

Diabetes Certificate Program, Greensboro AHEC, Greensboro, NC. Invited speaker, October 15, 2001. Topic: Type 2 Diabetes in Children/Maturity Onset Diabetes of Youth (MODY).

2001 Annual Meeting, American College of Clinical Pharmacy, Tampa, FL. Invited speaker, October 22, 2001. Topic: The ACCP Advocacy Agenda: A One-Year Status Report.

North Carolina Governor's Academy for Prevention Professionals, Fort Fisher, NC. Invited speaker, March 17, 2002. Topic: Pharmacologic Aspects of Substance Abuse.

Grand Rounds, University of North Carolina Student Health Service, Chapel Hill, NC. Invited speaker, April 24, 2002. Topic: Evidence-Based Guidelines for Treatment of Migraine Headache.

35th Society of Teachers of Family Medicine Annual Spring Conference, San Francisco, CA. Invited speaker, April 27, 2002. Topic: Sexual Adverse Effects of Medications.

Southern Regional AHEC, Dunn, NC. Invited speaker, September 12, 2002. Topic: Dermatology Update for Pharmacists.

Morbidity and Mortality Conference, Department of Medicine, University of North Carolina, Chapel Hill, NC. Invited speaker, June 24, 2003. Topic: Opioids, Substance Misuse & Chronic Pain: Interface of Clinical Medicine and Public Health.

Grand Rounds, Department of Pathology and Laboratory Medicine, School of Medicine, University of North Carolina, Chapel Hill, NC. Invited speaker, August 20, 2003. Topic: Opioid Misuse and Chronic Pain.

Grand Rounds, Department of Medicine, Fayetteville VA Medical Center/Fayetteville AHEC, Fayetteville, NC. Invited speaker, November 6, 2003. Topic: Chronic Non-Malignant Pain: Interface of Clinical Medicine, Mental Health & Public Health.

Grand Rounds, Department of Medicine, Moses H. Cone Medical Center/Greensboro AHEC, Greensboro, NC. Invited speaker, December 5, 2003. Topic: Chronic Non-Malignant Pain: Interface of Clinical Medicine, Mental Health & Public Health.

28th Annual Internal Medicine Conference, Department of Medicine, School of Medicine, University of North Carolina, Chapel Hill, NC. Invited speaker, March 31, 2004. Topic: Chronic Non-Malignant Pain: Crossroads of Clinical Medicine, Mental Health, and Public Health.

Pre-course Session on Chronic Pain Management, Society of General Internal Medicine, Chicago, IL. Invited speaker, May 12, 2004. Topic: Teaching Chronic Pain Management in Primary Care.

Triangle College of Clinical Pharmacy, Research Triangle Park, NC. Invited speaker, June 14, 2004. Topic: Putting the Clinical Pharmacist Practitioner Act to Work for You: Outpatient and Inpatient Perspectives.

Kappa Psi Pharmacotherapy Lecture, School of Pharmacy, University of North Carolina at Chapel Hill, Chapel Hill, NC. Invited speaker, November 16, 2004. Topic: Current Concepts in Pain Management.

Grand Rounds, Department of Medicine, School of Medicine, University of North Carolina, Chapel Hill, NC. Invited speaker, December 2, 2004. Topic: Chronic Pain, Depression & Substance Abuse: Experience in a General Internal Medicine Cohort.

End of Year Pharmacotherapy Update, Greensboro AHEC, Greensboro, NC. Invited speaker, December 18, 2004. Topic: Current Concepts in Pain Management.

Morbidity and Mortality Conference, Department of Family Medicine, School of Medicine, University of North Carolina, Chapel Hill, NC. Invited speaker, April 20, 2005. Topic: Management of Chronic Pain in Patients with a History of Mental Illness and Substance Abuse.

Annual Meeting, Society of General Internal Medicine, New Orleans, LA. Precourse Session: Chronic Pain and Mental Illness: Overcoming Barriers to Effective Management in the General Medicine Setting. Invited speaker, May 11, 2005. Topic: The Epidemiology and Impact of Chronic Pain and Mental Illness.

Sixteenth Annual Meeting, American Alliance of Cancer Pain Initiatives, St Louis, MO. Invited speaker, June 10, 2005. Topic: Pain Management and Substance Abuse; Controversies and Policies.

Northwest AHEC, Boone, NC. Invited speaker, June 21, 2005. Topic: Prescription Drug Abuse.

Wake County Pharmaceutical Association, Raleigh, NC. Invited speaker, September 20, 2005. Topic: Current Concepts in Pain Management.

UNC School of Nursing Annual Seminar, Chapel Hill, NC. Invited speaker, December 2, 2005. Topic: Update on the Management of Chronic Pain and Fibromyalgia.

North Carolina Governor's Academy for Prevention Professionals, Fort Fisher, NC. Invited speaker, January 13, 2006. Topic: Pharmacologic Aspects of Substance Abuse.

Division of General Medicine and Clinical Epidemiology Conference, School of Medicine, University of North Carolina, Chapel Hill, NC. Invited speaker, March 9, 2006. Topic: Clinical Utility and Interpretation of Urine Toxicological Screening.

Department of Medicine conference, School of Medicine, University of North Carolina, Chapel Hill, NC. Invited speaker, May 9, 2006. Topic: Management of Chronic Pain.

Charlotte AHEC, Charlotte, NC. Invited speaker, December 12, 2006. Topic: Billing for Pharmacy Services.

Mountain AHEC, Asheville, NC. Clinical Controversies. Invited speaker, May 6, 2007. Topic: Controversies in Chronic Pain Management.

North Carolina Chapter, Trigeminal Neuralgia Association, Raleigh, NC. Invited speaker, August 11, 2007. Topic: Issues with Medication Use in the Treatment of Trigeminal Neuralgia.

Advances and Controversies in Pain Management 2007, Eastern AHEC, Greenville, NC. Invited speaker, September 11, 2007. Topic: Update on Pain Medications.

Program on Opioid Risk Management: Understanding the Types of Opioid Abusers. Tufts Health Care Institute, Boston, MA. Invited speaker, September 27, 2007. Topic: Characteristics of the Patient Misuser of Prescription Opioids.

North Carolina Association of Pharmacists Annual Meeting, Research Triangle Park, NC. Invited speaker, October 28, 2007. Topic: Implementation of Medication Therapy Management Services.

Tenth Annual Procrastinators Marathon: Medication Therapy Management for Special Populations, Charlotte AHEC, Charlotte, NC. Invited speaker, December 10, 2007. Topic: Pain Management.

Mountain AHEC, Asheville, NC. New Guidelines for Lower Back Pain. Invited speaker, April 3, 2008. Topic: Pharmacologic Therapy for Low Back Pain.

Mountain AHEC, Asheville, NC. Updates in Pharmacotherapy: Pediatrics and Geriatrics. Invited speaker, May 4, 2008. Topic: Rashes that Itch and Itches that Rash: Pediatric Exanthems.

Greensboro AHEC, Chapel Hill, NC. HIV Care 2008: Antiretroviral Therapy, Hepatitis B/C, Addiction, and Adherence. Invited speaker, May 5, 2008. Topic: Pain Management in HIV Patients.

Southern AHEC, Fayetteville, NC. Invited speaker, October 2, 2008. Topic: Clinical Controversies in Managing Chronic Pain.

23rd Annual Pharmacy Practice Seminar, Coastal AHEC, Wilmington, NC. Invited speaker, October 18, 2008. Topic: Managing the Pain I Always Have: Overview of Chronic Pain.

23rd Annual Pharmacy Practice Seminar, Coastal AHEC, Wilmington, NC. Invited speaker, October 18, 2008. Topic: Managing the Pain in My Head: Treatment of Migraine.

25th Annual Pharmacy Practice Seminar, Coastal AHEC, Wilmington, NC. Invited speaker, August 29, 2010. Topic: Prescription & OTC Drug Abuse: What You Don't Know Can Hurt You.

Eastern AHEC, Elizabeth City, NC. Invited speaker, October 5, 2010. Topic: Rashes that Itch and Itches that Rash: Pediatric Exanthems.

2010 American College of Clinical Pharmacy Annual Meeting, Austin, TX. Invited speaker, October 19, 2010. Topic: Substance Misuse: Who, When, and Why?

Wake AHEC, Raleigh, NC. Invited speaker, November 5, 2010. Topic: Update on Pain Management: A Baker's Dozen of Pain.

2010 ASHP Midyear Clinical Meeting, Anaheim, CA. Invited speaker and Moderator, December 6, 2010. Topic: Implementing Introductory and Advanced Pharmacy Practice Experiences in Health-System Practice Settings.

2011 Annual Meeting, South Carolina Society of Health-System Pharmacists, Hilton Head, SC. Invited speaker, March 14, 2011. Topic: Update on Pain Management: A Baker's Dozen of Pain Issues.

UNC School of Nursing Annual Seminar, Chapel Hill, NC. Invited speaker, December 2, 2011. Topic: Pharmacology Update 2011: Update on the Management of Acute and Chronic Pain.

Capstone Series, UNC School of Medicine, Chapel Hill, NC. Invited speaker, April 24, 2012. Topic: Update on Pain Management.

UNC School of Nursing Annual Seminar, Chapel Hill, NC. Invited speaker, December 7, 2012. Topic: Pharmacology Update 2012: Update on the Management of Acute and Chronic Pain.

UNC School of Medicine Grand Rounds, Chapel Hill, NC. Invited speaker, March 7, 2013. Topic: Complications of Levamisole in Cocaine Abuse.

Second Annual Mountain Pharmacy Practice Seminar, Mountain AHEC, Asheville, NC. Invited speaker, May 4, 2013. Topic: Update on Chronic Pain Management: A Baker's Dozen of Pain Issues.

Seventh Annual Chapel Hill Drug Conference, University of North Carolina at Chapel Hill, Chapel Hill, NC. Invited speaker, May 17, 2013. Topic: Using Research to Advance Pharmacy Practice and Patient Care: Collaboration Among Pharmacists and Physicians To Improve Outcomes Now (CAPTION).

Durham-Orange Medical Society, Durham, NC. Invited speaker, June 12, 2013. Topic: Questions about Prescribing Opiates.

Council of Deans Networking Session, Annual Meeting, American Association of Colleges of Pharmacy, Chicago, IL. Invited speaker and moderator, July 16, 2013. Topic: Partnering with ACOs and Medical Homes.

2013 Community Care of North Carolina Annual Pharmacy Home Project Meeting, Raleigh, NC. Invited speaker, October 22, 2013. Topic: Role of the Pharmacist in Chronic Pain Management.

2013 Community Care of North Carolina Annual Pharmacy Home Project Meeting, Raleigh, NC. Invited speaker, October 23, 2013. Topic: Chronic Pain Management – Best Practice Use of Pharmacists and Other Ancillary Providers.

Kappa Psi Atlantic Province Meeting, Chapel Hill, NC. Invited speaker, January 25, 2014. Topic: Role of the Pharmacist in Chronic Pain Management.

UNC School of Medicine Grand Rounds, Chapel Hill, NC. Invited speaker, September 11, 2014. Topic: Morbidity & Mortality Conference: Millstones, Not Pearls: The Dilemma of Opioids in Patients with Chronic Pain.

Charlotte AHEC, Charlotte, NC. Invited speaker, December 3, 2014. Topic: Outpatient Pharmacy Perspectives in Chronic Pain Management.

UNC School of Nursing Annual Seminar, Chapel Hill, NC. Invited speaker, December 5, 2014. Topic: Pharmacology Update 2014: What's New with Pain Medications?

Joint Commission of Pharmacy Practitioners meeting, Alexandria, VA. Invited speaker, January 29, 2015. Topic: Changes in the Status of Pharmacist Billing in North Carolina.

UNC/ASHP Pharmacy Grand Rounds, Chapel Hill, NC. Invited speaker, November 10, 2015. Topic: Role of Adjunct Analgesics and Other Non-Opioid Strategies in the Management of Chronic Pain.

UNC School of Medicine, Department of Emergency Medicine Grand Rounds, Chapel Hill, NC. Invited speaker, May 25, 2016. Topic: Non-Opioid Pain Medications for Chronic Pain Patients in the Emergency Department, and Other Helpful Management Pearls.

UNC Health Alliance Learning Series, Chapel Hill, NC. Invited speaker, August 25, 2016. Topic: Update on the Safe and Effective Management of Chronic Pain.

31st Annual Pharmacy Practice Seminar, UNC Eshelman School of Pharmacy, Wrightsville Beach, NC. Invited speaker, August 27, 2016. Topic: Update on Managing Chronic Pain in the Community Setting.

School of Medicine Alumni Association Annual Meeting, University of North Carolina at Chapel Hill, Chapel Hill, NC. Invited speaker, September 23, 2016. Topic: Update on the Safe and Effective Use of Opiates for Management of Chronic Pain.

School of Nursing Alumni Association Annual Meeting, University of North Carolina at Chapel Hill, Chapel Hill, NC. Invited speaker, September 30, 2016. Topic: Managing Neuropathic Complications and Chronic Pain Associated with Diabetes Mellitus.

UNC Injury Prevention Research Center, Symposium for Multi-Disciplinary Research on the Opioid Crisis, University of North Carolina at Chapel Hill, Chapel Hill, NC. Invited speaker, October 12, 2016. Topic: Current Resources in Chronic Pain Management and Research.

Charlotte AHEC and the Gaston Community Healthcare Commission, Responding to the Opioid Challenge: Best Practices for Responsible Opioid Prescribing, Gastonia, NC. Invited speaker, October 22, 2016. Topic: Best Practices in Urine Toxicological Screening.

Charlotte AHEC, Charlotte, NC. Invited speaker, November 15, 2016. Topic: Updates in Pain Management.

Wake AHEC, Cary, NC. Invited speaker, November 18, 2016. Topic: Update on the Safe and Effective Management of Chronic Pain.

UNC School of Medicine Grand Rounds, Chapel Hill, NC. Invited speaker, February 16, 2017. Topic: Opioid Use and Abuse.

Scientific Session, American College of Physicians – North Carolina Chapter, Research Triangle Park, NC. Invited speaker, February 25, 2017. Topic: Opioid Prescribing Update.

Grand Rounds, UNC Student Health Service, University of North Carolina, Chapel Hill, NC. Invited speaker, March 8, 2017. Topic: Responding to the Current Opioid Epidemic.

41st Annual Internal Medicine Conference, Department of Medicine, School of Medicine, University of North Carolina, Chapel Hill, NC. Invited speaker, March 15, 2017. Topic: CDC Guidelines for Prescribing Opioids for Chronic Pain.

Department of Medicine Grand Rounds, Wake Medical Center, Raleigh, NC. Invited speaker, May 23, 2017. Topic: Responding to the Opioid Epidemic.

Compliance Conference, UNC Health Care, Chapel Hill, NC. Invited speaker, August 21, 2017. Topic: Review of Medicare and Medicaid Regulatory Bulletins - Opioid Epidemic & Regulatory Response.

UNC School of Medicine, Chapel Hill, NC. Invited speaker, September 22, 2017. Topic: Best Practices in Urine Toxicological Screening.

Division of General Medicine and Clinical Epidemiology, Department of Medicine, School of Medicine, University of North Carolina at Chapel Hill, Chapel Hill, NC. Invited speaker, September 28, 2017. Topic: Opiate Prescribing: Best Practices and Updates.

Medical Directors Conference, UNC Health Care, Chapel Hill, NC. Invited speaker, October 9, 2017. Response to Opioid Epidemic at UNC Health Care.

Grand Rounds, Department of Otolaryngology/Head and Neck Surgery, UNC School of Medicine, Chapel Hill, NC. Invited speaker, November 15, 2017. Topic: Response to the Opioid Epidemic.

UNC School of Nursing Eighth Annual Pharmacology Update for Primary Care Providers, Chapel Hill, NC. Invited speaker, December 5, 2017. Topic: Response to the Opioid Epidemic.

Charlotte AHEC, Charlotte, NC. Invited speaker, December 12, 2017. Topic: Updates in Pain Management.

Duke University, Osher Lifelong Learning Institute, Invited speaker, March 14, 2018. Topic: Pain Types and Medical Treatment.

UNC Eshelman School of Pharmacy, Chapel Hill, NC. Invited speaker, Spotlight series, November 7, 2018. Topic: Spotlight on the Opioid Epidemic.

Area L AHEC, Wilson, NC. Invited speaker, November 15, 2018. Topic: Opioid Stewardship: Questions for Responsible Management.

Charlotte AHEC, Charlotte, NC. Invited speaker, Ambulatory Care Forum, January 11, 2019. Topic: Opioid Stewardship.

UNC School of Medicine, Department of Medicine Grand Rounds, Chapel Hill, NC. Invited speaker, January 17, 2019. Topic: Medical Use of Cannabinoids.

UNC School of Medicine, Department of Pediatrics Grand Rounds, Chapel Hill, NC. Invited speaker, February 21, 2019. Topic: Opioid/Substance Use Disorders in Adolescents.

43rd Annual Internal Medicine Conference, Department of Medicine, School of Medicine, University of North Carolina, Chapel Hill, NC. Invited speaker, March 15, 2019. Topics: Update on the Opioid Epidemic: Are We Winning It?, and Prescribing, Deprescribing, and Monitoring Opioid Therapy.

Annual Legislative Meeting, Western North Carolina Chamber of Commerce, Raleigh, NC. Invited speaker, April 9, 2019. Topic: Medical Marijuana and CBD.

Grand Rounds, Department of Otolaryngology/Head and Neck Surgery, UNC School of Medicine, Chapel Hill, NC. Invited speaker, October 30, 2019. Topic: Medical Use of Cannabinoids.

UNC School of Medicine, Department of Pediatrics Grand Rounds, Chapel Hill, NC. Invited speaker, October 31, 2019. Topic: Prescribing, Monitoring, and Deprescribing Opioid Use in Chronic Pain Management in Adolescents.

UNC School of Nursing, Tenth Annual Pharmacology Update for Primary Care Providers, Chapel Hill, NC. Invited speaker, December 6, 2019. Topic: Medical Use of Cannabinoids.

Area L AHEC, Wilson, NC. Invited speaker, November 12, 2020. Topic: Principles and Problems of Opioid Deprescribing.

11th Annual Pharmacology Update for Primary Care Providers, School of Nursing, University of North Carolina, Chapel Hill, NC. Invited speaker, December 4, 2020. Topic: Principles and Problems of Opioid Deprescribing.

45th Annual Internal Medicine Conference, Department of Medicine, School of Medicine, University of North Carolina, Chapel Hill, NC. Invited speaker, March 12, 2021. Topic: Pharmacotherapy Update for Pain Management.

46th Annual Internal Medicine Conference, Department of Medicine, School of Medicine, University of North Carolina, Chapel Hill, NC. Invited speaker, March 18, 2022. Topic: Topic: De-Escalation of Chronic Opioid Use for Pain Management.

Charlotte AHEC, Charlotte, NC. Invited speaker, November 11, 2022. Topic: De-Escalation of Chronic Opioid Use for Pain Management: Principles, Problems, and Updates.

Grand Rounds, University of North Carolina Campus Health, Chapel Hill, NC. Invited speaker, October 4, 2023. Topic: De-Escalation of Chronic Opioid Use for Pain Management: Principles, Problems, and Updates.
