## In Memoriam

The UNC Eshelman School of Pharmacy would like to remember the life of Ralph Peele Rogers, Jr., who passed away Aug. 17, 2020, at the age of 95. Ralph attended Durham Public Schools and graduated from Durham High School in 1943. Ralph graduated from Duke University (Class of 1945) and the UNC School of Pharmacy (Class of 1949), then went on to operate Rogers Drug Co. in downtown Durham with his father until 1962. Ralph was one of the founders of North Carolina Mutual Wholesale Drug Co. in 1952 and became Executive Vice President and CEO of that company in 1962 where he served until his retirement in 1988.

## Dean's Message Alumni Day 2020

Dear alumni and friends,

So many wonderful things have happened at the School over the past year, including a successful re-accreditation, being named the No. 1 pharmacy school in the nation by *U.S. News & World Report* for the second time in a row, shattering our research funding record, and moving up in the global Shanghai School of Pharmacy rankings.

Unfortunately, we have not been able to come together in person to celebrate our collective successes. As we all adjust to how we navigate these challenging times, now more than ever it's important we stay connected.

That's why we've decided to **celebrate with a virtual Alumni Day on Friday, October 30**, hosted by our wonderful Pharmacy Alumni Association!

It will be a day filled with virtual activities such as a 5K, wine and design, yoga, continuing education, networking with students, and a virtual lunch with me!

Thank you again for all you do in *Advancing Medicine for Life*, and I hope to see you there!

Stay well,

A handwritten signature in black ink, appearing to read 'Angela'.
