PharmD Position Placement and Outcomes Report
Class of 2023 vs. Class of 2022 Comparative Analysis

Positions Accepted by Category (1)

May 2023 Total Graduates = 155	n	~ %	May 2022 Total Graduates = 135	n	~ %
➢ Residency	80	52%	➢ Residency	80	59%
➢ Full-time (FT) or Part-time (PT) Employment	42	27%	➢ Full-time (FT) or Part-time (PT) Employment	29	21%
➢ Fellowship	23	15%	➢ Fellowship	14	10%
➢ Other	1	< 1%	➢ Other	1	1%
➢ Post-graduate education	2	1%	➢ Post-graduate education	0	0%
➢ No placement provided	7	5%	➢ No placement provided	9	7%
➢ Lost to follow-up (2)	0	0%	➢ Lost to follow-up (2)	2	1%
Total	**155**	**100%**	**Total**	**135**	**100%**

Position Acceptance Rate 1 = (Student Placement Secured (148) / Total Graduates (155)	**95%**	**Position Acceptance Rate 1** = (Student Placement Secured (124) / Total Graduates (135)	**92%**

Overall Metrics and Outcomes

May 2023 Total Graduates = 155 (3)	n	~ % or $	May 2022 Total Graduates = 135 (3)	n	~ % or $
➢ Post Graduate Training (e.g., Residency + Fellowship)	103	66%	➢ Post Graduate Training (e.g., Residency + Fellowship)	94	70%
➢ Planned to take NAPLEX	147	95%	➢ Planned to take NAPLEX	120	89%
➢ Position accepted in North Carolina**	51	33%	➢ Position accepted in North Carolina**	46	34%
➢ **Average Salary**	**124**	**$63,582**	➢ **Average Salary**	**112**	**$63,252**
➢ **Salary Standard Deviation**	**124**	**$29,087**	➢ **Salary Standard Deviation**	**112**	**$26,773**

** Data is based on using the actual city / state of position accepted based on disclosure by student or via research / follow-up

(1) Career Services followed up via phone / e-mail with 15% (n=23) of the graduates that completed the graduating student survey but did not disclose a position acceptance by the official Qualtrics survey close date of May 11th, 20023. This manual follow-up process continued until November 1st and this report is now final.

(2) This is a category to indicate that the graduate could not be reached to determine position acceptance.

(3) Standard denominator for the reporting of these overall metrics and outcomes is the total graduates regardless of the number of students providing the data.

Residency Key Metrics and Sub-Category Outcomes
