

Early Assurance Program

ABOUT THE PROGRAM

The UNC Eshelman School of Pharmacy seeks to admit exceptionally talented and diverse students who will become the next generation of pharmacy leaders. This program offers early assurance of admission for North Carolina A&T students into the UNC Eshelman School of Pharmacy Doctor of Pharmacy Program after a minimum of two years of study and completion of all pre-requisite courses. For more information about the application process and requirements, please visit pharmacy.unc.edu/early-assurance-program/.

“At the UNC Eshelman School of Pharmacy, we are on a path of educational innovation, breaking barriers in research and improving human health around the world. Each day our goal is to help people live longer, healthier lives. Together, we are Advancing Medicine for Life.”

Angela DM Kashuba, Dean, John A. and Margaret P. McNeill Distinguished Professor

WHY CHOOSE US?

“North Carolina A&T prepared me by exposing me to unique experiences and learning opportunities through the Pre-Professional Scholars Program. These experiences prepared me to take on the world and any academic/professional experience I chose after A&T. I chose the UNC Eshelman School of Pharmacy because of its commitment to developing top-notch professionals and the endless opportunities and connections I'd be presented with beyond graduation.”

*Ashley Addison, NC A&T Class of 2020
UNC Eshelman School of Pharmacy Class of 2025*

UNC ESHELMAN SCHOOL OF
PHARMACY

OUR VISION

At the UNC Eshelman School of Pharmacy, we strive to be the global leader in pharmacy and pharmaceutical sciences. We are the No. 1 ranked school of pharmacy in the U.S. and No. 2 in research funding.

OUR MISSION

It is essential that we prepare leaders and innovators to solve the world's most pressing health care challenges. We proudly award \$2 million annually in scholarships to help support the innovators of tomorrow.

STUDENT BENEFITS

- Invited to participate in UNC Eshelman School of Pharmacy seminar series (locally and remotely)
- Access to pharmacy advisors, faculty, and pharmacist mentors
- Application fee waived
- Assured admission into the program after a minimum of two years of study
